performance of SRI equity funds established in the United States The study at hand not only includes SRI equity funds but also SRI balanced and fixed income funds established in Europe the biggest market for SRI globally The study provides unexpected results that are not only of interest for investors who want to get a better understanding of the effect on the financial performance of their portfolios in case SRI funds are added The results are also relevant for SRI fund managers who are interested in promoting their funds and attracting new investors and for academics whose research interests are e g located in the fields of SRI fund portfolio performances and market efficiencies Investments Charles P.
