## **Mistress Within English Edition:**

*Muses, Mistresses and Mates* Anna Suwalska Kolečka, Izabella Penier, 2015-06-18 The Muse is one of the oldest archetypes in human civilization and in the past was a representation of an idealized woman blessed with beauty and creativity and exerting irresistible attraction for many a man Nowadays in the wake of feminism the idea of the Muse seems a bit obsolete quaint or downright sexist and is said to enhance a vicious stereotype of the creative productive and active man and the passive submissive and docile woman However this book shows that this in fact Woman and the Feminine in Medieval and Early Modern Scottish Writing Evelyn S. Newlyn, 2004-04-29 This collection is the first critical and theoretical study of women as the subjects of writing and as writers in Medieval and Early Modern Scottish literature The essays draw on a diverse range of literary historical cultural and religious sources in Scots Gaelic and English to discover the complex ways in which Woman was represented and by which women represented themselves as creative subjects Woman and the Feminine in Medieval and Early Modern Scottish Writing brings to light previously unknown writing by women in the early modern period and offers as well new interpretations of early Scottish texts from feminist and theoretical perspectives
