Entrepreneurship People And Organisations Frontiers In European Entrepreneurship Research:

Entrepreneurship, People and Organisations Robert A. Blackburn,Frédéric Delmar,Alain Fayolle,Friederike Welter,2014 This book written by leading scholars provides stimulating coverage of topical issues in the field of small business and entrepreneurship Entrepreneurship has already been shown to be a significant source of innovation and economic development but the variations in the contribution at the individual organisational regional and national levels remain relatively unexplored The types of contributions behavioural economic and social are also relatively new areas for empirical scrutiny and theoretical development This anthology provides in depth analyses of entrepreneurship across Europe and demonstrates the importance of context the geographical political and socio economic milieu within which entrepreneurship takes place *The Dynamics of Entrepreneurial Contexts* Ulla Hytti,Robert Blackburn,Silke Tegtmeier,2018-02-23 Context is everything in entrepreneurship research This book compellingly demonstrates the ways in which the distinctive European cultural societal and geographic environments enable research into new entrepreneurial phenomena It also gives guidance as to how future research should endeavour to understand the influences of context

Institutionalization of Entrepreneurship Research Alain Fayolle,Hans Landstrom,William B. Gartner,Karin Berglund,2019-10-23 The institutionalization of entrepreneurship is undeniably a good thing for the members of the research community as it implies the legitimization of particular research topics and research practices the emergence of norms for developing and publishing this research and the creation of structures that provide employment opportunities and a conducive environment for pursuing research However we can also question if this institutionalization is such a good thing when it comes to producing critical innovative contextualized and complex research or when considered from the point of view of non academic entrepreneurship stakeholders and society in general The objective of this book is to challenge the main research streams theories methods epistemologies assumptions and beliefs dominating the field of entrepreneurship In order to achieve this objective this book comprises six conceptual and empirical contributions each one unorthodox controversial inspiring and challenging This book was originally published as a special issue of Entrepreneurship and Regional Development **Latin American and Iberian Entrepreneurship** João Leitão,Vanessa Ratten,Vitor Braga,2022-05-19 Latin American and Iberian entrepreneurship represents a special kind of innovation risk taking and futuristic business activity based on a common cultural heritage There has been an increased interest in entrepreneurship related to specific cultural groups and this edited book will be among the first to provide a Latin American and Iberian perspective to the study of entrepreneurship thereby acknowledging the role of the Spanish and Portuguese diaspora and language on the global economy Each chapter will focus on a different aspect of entrepreneurship related to countries within Latin America and Iberia By combining both geographical groups the authors aim to provide a better understanding of how Latin culture permeates entrepreneurial business activities **Educating Social Entrepreneurs, Volume I** Paul

Miesing, Maria Aggestam, 2017-07-31 Educating Social Entrepreneurs From Idea Generation to Business Plan Formulation appears at a time of unprecedented environmental disasters natural resources depletion and significant failure of governments and global businesses to attend to worldwide social problems In this era of downsizing restructuring and social changes notions of traditional venture creation and the ways of creating social values have been challenged We draw on examples from various parts of the business world and societies to prepare students scholars and entrepreneurial managers to deal with the challenges presented by a new and diverse business environment to create business plan for a social venture Illuminating troublesome aspects of the global social and business worlds this workbook comprises two volumes that covers key issues Students scholars and entrepreneurs who want to help a world of multiple disparities by dealing with social entrepreneurship will find this to be beneficial reading Frontiers of Entrepreneurship Research, 2008 **Contextual Heterogeneity in Entrepreneurship Research** Laveren, Eddy, Ben-Hafaïedh, Cyrine, Kurczewska, Agnieszka, Jiang, Yi D., 2021-09-07 This insightful book explores the importance and influence of contextual heterogeneity in the field of entrepreneurship research illuminating the circumstances conditions or environments that may enable or constrain entrepreneurship **Navigating Entrepreneurial Contexts** Lorella Cannavacciuolo, Silvia Costa, Agnieszka Kurczewska, Pierluigi Rippa, Mirela Xheneti, 2024-10-03 Navigating Entrepreneurial Contexts highlights the critical importance of understanding and adapting entrepreneurship to the diverse contexts in which businesses operate The heterogeneity of the topics covered in this book reflects the richness of theories and methods employed in this interdisciplinary field of study *Entrepreneurial Business and Society* Friederike Welter, Robert Blackburn, Bjorn Willy, 2013-01-01 Entrepreneurial Business and Society analyses contemporary research in the field of entrepreneurship and small business and explores the interplay between the entrepreneur the entrepreneurial firm and society The contributors highlight that entrepreneurship may also contribute to social change and that welfare and success could be measured in terms of their effect on society Topics explored throughout the volume are the promotion of entrepreneurial businesses entrepreneurial people and entrepreneurial sectors The book will prove invaluable for advanced undergraduate and postgraduate students of entrepreneurship and small business Entrepreneurship and small business researchers as well as policy makers will also find plenty of relevant information in this important resource The Theory and Practice of Entrepreneurship David Smallbone, João Leitão, Mario Raposo, Friederike Welter, 2010-01-01 This timely book provides a fresh perspective on contemporary research in the field of entrepreneurship and small business considering both theory and application **Entrepreneurial Processes in a Changing Economy** Friederike Welter, David Smallbone, Anita Van Gils, 2012-01-01 This insightful book presents leading edge European research on entrepreneurial processes in a changing global world The contributors take a closer look at what constitutes entrepreneurial processes how entrepreneurs develop their businesses and access critical resources in times of crisis and which roles knowledge and innovation play in continuous
