Essentials of Retirement Planning Eric J. Robbins,2016-05-26 This book provides the quintessential information needed to

understand the financial side of the retirement planning coin Readers will begin by learning about the various plan types available to the employers to offer to their employees The topics related to compliance testing are thoroughly discussed as well as strategies used to legally shift benefits in favor of the highly compensated employees However some employers do not sponsor a plan In this instance retirement savers will need to understand the options available in the world of individual retirement accounts This book is not intended to provide investment advice but rather to guide how different retirement savings vehicles function and how they can be effectively deployed Many financial professionals find that their clients will ask questions about all aspects of their financial life For this reason this book also discusses non investment related topics such as housing options social security planning Medicare planning and a few other basic insurance based issues faced by all retirees

The 5 Years Before You Retire Emily Guy Birken,2013-12-02 A comprehensive guide to planning your future retirement before it s too late Even though half of all Americans put money aside for retirement it isn t until they reach their sixties that many realize that they haven t saved enough With The Five Years Before You Retire you ll hone in on what you need to do in the next five years to maximize your current savings and create a realistic plan for your future This book guides you through each financial medical and familial decision from taking advantage of the employer match your company offers for your 401k program to enrolling in Medicare to discussing housing options with your family Covering every aspect of retirement planning these straightforward strategies explain in detail how you can make the most of your last few years in the workforce and prepare for the future you ve always wanted Whether you just started devising a plan or have been saving since your first job The Five Years Before You Retire will show you what you need to do now to ensure that you live comfortably for years to come
