Everlasting Lane A Novel:

Everlasting Lane Andrew Lovett, 2014-08-01 There was something frightful about those woods But it wasn't the trees It was the shadows squeezed between them Galley Beggar Press's third release is another novel from a wonderful new talent following the success of *The White Goddess An Encounter* in 2012 and Eimear McBride's remarkable *A Girl Is A Half-Formed Thing* in 2013 Andrew Lovett's *Everlasting Lane* evokes the eternal summer of a 1970s childhood sun-soaked nostalgic with the soft focus and warm glow of a Polaroid but offset by darkness Peter is a boy who doesn't really understand the present who refuses to think properly about the past but is compelled to come to terms with both in a story that is part *Secret Seven* part *I'm Not Scared* and part *A Month In The Country* Glorifying in the joys and gentle adventures of childhood and featuring a sidekick Anna Marie as memorable as Dill in *To Kill A Mockingbird* *Everlasting Lane* is a bittersweet and delightfully strange exploration of the complexities of family relationships and the shadows that the past can cast over the present **MARY**

BOOK JACKET **Criticism of Society in the English Novel Between the Wars** Hena Maes-Jelinek,2013-05-22 The main concern of this study is the artist s vision of society its major theme is the relation between the individual and society resulting from the impact of social and political upheavals on individual life By criticism of society I mean the novelist s awareness of the social reality and of the individual s response to it the writers I deal with all proved alive to the changes that were taking place in English society between the two World Wars Though the social attitudes of the inter war years as well as the writers response to them were shaped by lasting and complex influences such as trends in philosophy and science the two Wars stand out as determining factors in the development of the novel the consequences of the First were explored by most writers in the Twenties whereas in the following decade the novelists felt compelled to voice the anxiety aroused by the threat of another conflict and to warn against its possible effects After the First World War many writers felt keenly the social disruption the old standards which were thought to have made this suicidal War possible were distrusted the code of behaviour and the moral values of the older generation were openly criticized for having led to bankruptcy Disparagement of authority increased the individual s sense of isolation his insecurity his disgust or fear Even the search for pleasure so widely satirized in the Twenties was the expression of a cynicism born of despair The ensuing disengagement of the individual from his environment became a major theme in the novel his isolation was at once a cause for resentment and the source of his fierce individualism *Daddy's Spaceship* Andrew Lovett,2014-06-19 A new story from Galley Beggar author Andrew Lovett Another haunter Another evocation of lost childhood Another funny sad beautiful wonderful story from this talented and deeply humane author It s bitter it s sweet and it s very very tasty **Time and Tide.
