Girl Guide Theme Camps:

The Camp Fire Girls Jennifer Helgren, 2022-12 As the twentieth century dawned progressive educators established a national organization for adolescent girls to combat what they believed to be a crisis of girls education A corollary to the Boy Scouts of America founded just a few years earlier the Camp Fire Girls became America's first and for two decades most popular girls organization Based on Protestant middle class ideals a regulatory model that reinforced hygiene habit formation hard work and the idea that women related to the nation through service the Camp Fire Girls invented new concepts of American girlhood by inviting disabled girls Black girls immigrants and Native Americans to join Though this often meant a false sense of cultural universality in the girls own hands membership was often profoundly empowering and provided marginalized girls spaces to explore the meaning of their own cultures in relation to changes taking place in twentieth century America Through the lens of the Camp Fire Girls Jennifer Helgren traces the changing meanings of girls citizenship in the cultural context of the twentieth century Drawing on girls scrapbooks photographs letters and oral history interviews in addition to adult voices in organization publications and speeches *The Camp Fire Girls* explores critical intersections of gender race class nation and disability

Women and Rhetoric between the Wars Ann George, M. Elizabeth Weiser, Janet Zepernick, 2013-02-25 In *Women and Rhetoric between the Wars* editors Ann George M Elizabeth Weiser and Janet Zepernick have gathered together insightful essays from major scholars on women whose practices and theories helped shape the field of modern rhetoric Examining the period between World War I and World War II this volume sheds light on the forgotten rhetorical work done by the women of that time It also goes beyond recovery to develop new methodologies for future research in the field Collected within are analyses of familiar figures such as Jane Addams Amelia Earhart Helen Keller and Bessie Smith as well as explorations of less well known yet nevertheless influential women such as Zitkala Jovita Gonz lez and Florence Sabin Contributors evaluate the forces in the civic entertainment and academic scenes that influenced the rhetorical praxis of these women Each essay presents examples of women's rhetoric that move us away from the waves model toward a more accurate understanding of women's multiple diverse rhetorical interventions in public discourse The collection thus creates a new understanding of historiography the rise of modern rhetorical theory and the role of women professionals after suffrage From celebrities to scientists suffragettes to academics the dynamic women of this volume speak eloquently to the field of rhetoric studies today

Scouting for Girls Tammy M. Proctor, 2009-09-23 This volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed *Scouting for Girls A Century of Girl Guides and Girl Scouts* is the first global history of Girl Scouting and Guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in Great Britain through its international expansion Since 1910 millions of girls worldwide have been exposed to Scouting While much has changed since 1910 the core values of Scouting Guiding are still recognizable in today's programs namely the

empowerment of girls through adventure character building home skills outdoor pursuits and active learning But has Scouting s very willingness to change with the times undermined its original ideologies and fundamentally changed the movement As Girl Scouts and Guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis Given the changing nature of today s societies and the serious problems girls face on a daily basis Girl Guides and Girl Scouts will need to be true to their motto Be Prepared in order to march forward successfully into the future
