**Shapes, Scenes and Strokes: Book Reviews 2015** Manuel Augusto Antão, 2016-01-13 The experience of thinking about preparing or writing a text be it a book review or about an art exhibition cannot be limited solely to the artistic experience There must always be another kind of challenge I want that elusive thing that I found together with the encounter that I had with the object and the experience we lived together Every day when I wake up I don t think about writing but I wonder whether I ll be able to rise to the calling of that particular object a book a painting a play opera etc The characters in them are never marginal figures I know that they exist but I do not know them I do not confront myself with them or I only do so in highly stereotypical situations where they almost become invisible When I write about something this is my attempt at turning the invisible into the visible
