Allaire, 2020-08-13 Curriculum and Teaching Dialogue is the journal of the American Association of Teaching and Curriculum AATC founded on October 1 1993 The AATC promotes the scholarly study of teaching and curriculum through conferences journals and member interactions encouraging all analytical and interpretive approaches *Yes, We Are Stupid in America!*

Dr. Vicky Wells, 2013-01-21 Students in countries such as Finland South Korea and Singapore continue to outperform their peers in America But that hasn't stopped the United States government from spending more money on education as achievement plummets Dr Vicky Wells a former school principal explores what's going on at the federal state and local levels so that members of the public can hold bureaucrats accountable In a series of reality checks she explains how to meet the growing crisis head on equip students with the necessary skills upon graduation make decisions based upon the input of real life educators and ignore politics in order to best serve students Teachers and parents trust leaders to make decisions based on what's best for the students Even so all too often decision making seems to be more about politics and quid pro quo and this does not best serve students educators or the community The educational system continues to decline and students keep dropping out or graduating without the knowledge they need to succeed Its time to stop constantly changing curriculum and start focusing on the real problems confronting teachers and students **Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications**

Management Association, Information Resources, 2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields However recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education Adult and Continuing Education Concepts Methodologies Tools and Applications investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries With an extensive array of chapters on topics ranging from non traditional students to online and distance education for adult learners this multi volume reference book will provide students educators and industry professionals with the tools necessary to make the most of their return to the classroom **Challenging**

Standards Jonathan A. Supovitz, James Spillane, 2015-06-03 The Common Core State Standards are at the center of the latest firestorm in American education reform But this is not the nation's first torrid experience with standards implementation In Challenging Standards Jonathan Supovitz and James Spillane bring together the collective knowledge of top education researchers who have both experienced and investigated education reform challenges in the past Combining both evidence based research and applied knowledge the contributors share with educational leaders their accrued wisdom about implementing standards in classrooms and systems building capacity through relationships and navigating the fractious political terrain Each section of the book contains a set of facilitative questions that will help leadership teams book clubs

and professional learning communities connect the chapters to their work
