Mark Felton

Life Reclaimed Rural Transylvania Nazi Camps And The American Dream:

Life Reclaimed Paul N. Frenkel, 2013-03-25 In April of 1944 during the last year of World War II and two months before the D day landings at Normandy Paul N Frenkel was a fourteen year old living happily with his family in the rural Transylvanian town of Hadad Hungary Suddenly without explanation or justification the family was rounded up with other Hungarian Jews confined in a factory yard and then herded into cattle cars and shipped off to Auschwitz In *Life Reclaimed* Frenkel narrates the story of his life his prewar idyllic childhood in the foothills of the Carpathian Mountains his survival in four Nazi camps as a young teenager the loss of his parents and most of his relatives in Nazi hell his daring escape from the death march out of Berga Elster Camp and his ultimate success as an entrepreneurial business executive and devoted family man in America A story of endurance courage and hope *Life Reclaimed* represents Frenkel's determined ongoing efforts to come to grips with his World War II experience why his family and the other Hungarian Jews failed to realize their dire peril from the Nazis why their Transylvanian neighbors and friends actively collaborated with the Nazis or passively abandoned their Jewish colleagues to arrest enslavement and death and why this dark past continues to haunt his life and burden his thoughts

Operation Swallow Mark Felton, 2019-10-15 The true and heroic story of American POWs daring escape from a Nazi concentration camp In this little known story from World War II a group of American POW camp leaders risk everything to save hundreds of fellow servicemen from a diabolical Nazi concentration camp Their story begins in the dark forests of the Ardennes during Christmas 1944 and ends at the Buchenwald Concentration Camp in the spring of 1945 This appalling chapter of US military history and uplifting Holocaust story deserves to be widely known and understood *Operation Swallow* provides a historical first person perspective of how American GIs stood up against their evil SS captors who were forcing them to work as slave laborers A young GI is thrust into a leadership position and leads his fellow servicemen on a daring escape It is a story filled with courage sacrifice torture despair and salvation A compelling narrative driven nonfiction book has not been written that takes the reader deep into the dark story of *Operation Swallow* and Berga Concentration Camp until now Written from personal testimonies and official documents *Operation Swallow* is a tale replete with high adventure compelling characters human drama tragedy and eventual salvation from the pen of a master of the modern military narrative
