a. School

- Lack of school facilities
- Overpopulated classrooms
- Speed up the replacement or construction of their school building or classroom.

b. Teachers

- The sound of heavy rain prevents the teachers and students from hearing and understanding each other during class since they are conducting their classes in a gymnasium.
- Noise disturbances such as car noises, since the gymnasium is in close proximity to the road or highway.
- They cannot cater to the individual needs of the students.

c. students based on the report

- Noise disturbances deteriorating their attention.
- The students cannot focus on the discussion since each of the sections are just divided by makeshift walls and there are 50 students in each classroom. There is not enough space as seen in the video.
- The students find it hard to learn in this environment.

2. Based on your answers to question #1, suggest ways how the problems in the learning environment can be addressed

a. School

- Classroom Availability (Build or construct another building for classrooms).
- The school should implement the shifting of class schedules to accommodate classes and avoid crowding.

b. Teachers

- The teachers should perhaps request materials or reach out to non-government organizations. Through this, the teachers would be able to provide the necessary
