*Historical Dictionary of Zambia* Bizeck Jube Phiri, Thokozile Shaba, 2023-08-15 Zambia is a nation with a long record of peace that has enjoyed decades of constitutional rule and even in recent years an increasingly competitive democracy. Peace, constitutionalism, democracy and nationhood face constant challenges such as in the elections of 2006 when the ugly language of ethnic confrontation found renewed currency. Moreover, Zambia's economic record and prospects are less equivocal after over four decades per capita incomes are lower than they were at the dawn of independence. Historical Dictionary of Zambia Fourth Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 1 000 cross-referenced entries on important personalities as well as aspects of the country's politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Zambia.

The Global Public Relations Handbook Revised and Expanded Edition extends the discussion in the first volume on the history, development and current status of the public relations industry from a global perspective. This revised edition offers twenty new chapters in addition to the original contents. It includes fourteen additional country or regionally focused chapters exploring public relations practice in Africa, Asia, Europe and the Americas. Contributors use a theoretical framework to present information on the public relations industry in their countries and regions. They also focus on such factors as the status of public relations education in their respective countries and professionalism and ethics. Each country specific chapter includes a case study typifying public relations practice in that country. Additional new chapters discuss political economy, activism, international public relations and United Nations public affairs.

**A Zambian Journalist: In Pursuit of Three Freedoms** Mike Daka, 2019-12-06 Mike Dakas story is a fascinating account that is at once the story of an extraordinary journalist and rich insight into the history of the media and journalism in Zambia and Southern Africa. Born into humble circumstances his journey took him into journalism as reporter and editor and then to shaping and leading the Zambia Institute of Mass Communication which taught generations of journalists through changing political circumstances. Never one to shy away from a challenge Daka retired from Zamcom to start Breeze FM in Chipata a radio station that became internationally renowned for its unique character as a commercial operation that provides community and public service.
