Fun Customer Service Exercises:

The Big Book of Customer Service Training Games Peggy Carlaw, Vasudha K. Deming, 1998-09-22 Help your employees to excel in dealing with the public with this stimulating fun filled collection of customer service training games. Designed not only to teach important skills but also to spark enthusiasm and a high level of involvement in the participants these games utilize entertaining and instructive techniques such as role playing, charades, brainstorming and debate. As a result of these exercises employees will learn how to create a rapport with the customer, how to focus on the unique needs of individual customers, how to maintain a positive attitude and more.

Training Games Susan El-Shamy, 2023-07-03 Games constitute a wonderful tool for engaging learners and reinforcing learning. This is a practical and entertaining introduction to using games and structured learning activities in training. It is the first book to combine gaming rationale, hands on advice and sample games. Susan El Shamy begins with an overview of the benefits of using games, touches on the learning psychology foundations of game playing, describes the most common types of games and provides guidelines for choosing games appropriate for given objectives. She offers seasoned advice on how to set up and conduct games and on how to assess their effectiveness. She concludes with suggestions on how to adapt existing games and activities to new purposes and beyond, and on how the reader can create and design his or her own games. The book includes a resource list of commercially available games and related Web sites. Susan El Shamy admirably succeeds in demonstrating how games promote serious learning in adult training. If you are new to games this book will allay your concerns about using them. If you are a veteran user of games here are new ideas including an introduction to e games. All readers will appreciate the Ultimate Training Games Assessment form for evaluating games and as a guide to creating their own.

Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or e mailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face to face interaction can also impede trust, innovation and creativity among team members. The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including e mail, mobile devices, web based conferencing tools and social media sites such as Facebook, Twitter and Skype. The Big Book of Virtual Team Building Games helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships, foster clear communication and use technology to enhance the team's connections.
