Now respected HR management educator Dr. Steven Director addresses this skill gap head on. Writing from HR's viewpoint, Director covers everything mid level and senior level HR professionals need to know to formulate, model and evaluate their HR initiatives from a financial and business perspective. Drawing on his unsurpassed expertise working with HR executives, he walks through each crucial financial issue associated with strategic talent management, including the quantifiable links between workforces and business value, the cost benefit analysis of HR and strategic financial initiatives, and specific issues related to total rewards programs. Unlike finance books for non-financial managers, *Financial Analysis for HR Managers* focuses entirely on core HR issues. **Introduction to Management Accounting: Instructor's Manual** Scott Yetman, 2008 **Managerial Accounting : Special Edition for GCC. 14th Ed**,
