**English for Occupational Purposes** Dan Kim, 2008-08-29 The first book to unite scholarship on workplace English with general training  
**English for Occupational Purposes** Dan Kim, 2008-06-29 English for Occupational Purposes examines the field of teaching English in occupational settings as a particular instance of general workplace training and development It is the first book to unite scholarship on workplace English with general training The book uses case studies and surveys from various occupational contexts to ask whether English for Occupational Purposes and general training use the same language in articulating their curricular and instructional development The main focus of the study is on business organizations specifically in South Korea where English has become an integral part of business both in the workplace in business to business negotiations and in professional training This fascinating monograph will be of interest to researchers in English for specific purposes and applied linguistics as well as scholars of workplace education *Wordplay and*

*Metalinguistic / Metadiscursive Reflection* Angelika Zirker, Esme Winter-Froemel, 2015-10-16 Wordplay can be seen as a genuine interface phenomenon It can be found both in everyday communication and in literary texts and it can fulfil a range of functions it may be entertaining and comical it may be used to conceal taboo and it may influence the way in which the speaker's character is perceived Moreover wordplay also reflects on language and communication it reveals surprising alternative readings and emphasizes the phonetic similarity of linguistic signs that also points towards relations on the level of content Wordplay unravels characteristics of literary language in everyday communication and opens up the possibility to analyze literary texts from a linguistic perspective The first two volumes of the series The Dynamics of Wordplay therefore aim at bringing together contributions from linguistics and literary studies focusing on theoretical issues such as basic techniques of wordplay and its relationship to genres and discourse traditions These issues are complemented by a series of case studies on the use of wordplay in individual authors and specific historical contexts The contributions offer a fresh look on the multifaceted dynamics of wordplay in different communicative settings **Book Review Index - 2009 Cumulation**
