**Grounded in the Gospel** J. I. Packer,Gary A. Parrett,2010-04-01 Historically the church s ministry of grounding new believers in the essentials of the faith has been known as catechesis systematic instruction in faith foundations including what we believe how we pray and worship and how we conduct our lives For most evangelicals today however this very idea is an alien concept Packer and Parrett concerned for the state of the church seek to inspire a much needed evangelical course correction This new book makes the case for a recovery of significant catechesis as a nonnegotiable practice of

churches showing the practice to be complementary to and of no less value than Bible study expository preaching and other formational ministries and urging evangelical churches to find room for this biblical ministry for the sake of their spiritual health and vitality    Reformed Preaching Joel Beeke,2018-10-15 Preaching today all too often tragically misses the point We ve all heard sermons that sound more like a lecture filling the head but not the heart And we ve all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit s grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God s life transforming truth looks like today    *Interpreting Christian History* Euan Cameron,2008-04-15 This book explores the theological lessons to be learnt from 2000 years of Christian Church history An exploration of the theological lessons to be learnt from the difficult history of the Christian churches over the past 2 000 years Opens with an introductory essay on the whole of Church history making the book suitable for lay readers as well as students Combines historical historiographical and theological analysis Reunites the disciplines of theology and Church history Concludes that we can only ever perceive a facet of Christianity given our historical and cultural conditioning Written by a distinguished Church historian    *A Guide to the Study of the Christian Religion* William Herbert Perry Faunce,1916    We Believe Harry W. Eberts,1994-01-01 Including an analysis of A Brief Statement of Faith which became part of the Book of Confessions in 1991 this book is used in the training program for church officers of the Presbyterian Church U S A Written by a pastor experienced in officer training We Believe will help Presbyterians especially current and future church officers understand more fully the creeds that are part of their faith
