Child and Adolescent Life Stories Katherine H. Voegtle,Marguerite G. Lodico,2005-01-10 The uniqueness of Child and Adolescent Life Stories lies in the multiple perspectives drawn from youth their parents and their teachers These perspectives provide a range of lenses through which a student or beginning teacher may view child and adolescent development The complex processes of development occur within a social context and therefore a professional teacher administrator or school psychologist will need to be able to view developmental stages from youths perspectives as well as from their various social settings

Here Comes Everybody! Tim Unsworth,1997-02 When Irish literary master James Joyce defined Catholicism as Here comes everybody he reflected an understanding of Catholics that is both humorous and profound Award winning journalist Tim Unsworth does the same in this roller coaster ride through a Church that is filled with laughter and tears because it is filled with people Unsworth s stories are true Details have been changed to protect both saints and sinners Some are simply hilarious like the one about Phil the gas station proprietor with the empty condom machine in the station s men s room or the monks who got in trouble because they loaned their jeep to Catholic gays who used it to pull a float in the annual Gay Pride parade But there are serious stories too about such unforgettable characters as the priest who sold his chalice to serve the poor the homeless man who enriched a parish the mail carrier who shares the good news and a woman dying of AIDS at a Catholic hospice Unsworth introduces us to business executives who are attempting to introduce Christ into the workplace and to four women who express their faith in different but profound ways He brings us into the world of the eccentric and saintly Brother Bill who fearlessly places himself between warring gangs in the Chicago projects In a world that pays tribute to dedicated teachers and physicians Unsworth finds a saloon singer and a disc jockey whose dedication and faith are equally inspiring They re all here And more A circus parade of Christians working out their salvation in mysterious ways a potpourri of people you will love
