The Montessori Method Maria Montessori, Henry Wyman Holmes, 1912 Certain aspects of the system are in themselves striking and significant it adapts to the education of normal children methods and apparatus originally used for deficient it is based on a radical conception of liberty for the pupil it entails a highly formal training of separate sensory motor and mental capacities and it leads to rapid easy and substantial mastery of the elements of reading writing and arithmetic Introduction

Bringing the Montessori Approach to Your Early Years Practice , The Montessori Method - Scientific Pedagogy as Applied to Child Education Maria Montessori, 2016-08-18 In the period that has elapsed between the publication of the Italian and American editions I have had with my pupils the opportunity to simplify and render more exact certain practical details of the method and to gather additional observations concerning discipline The results attest the vitality of the method and the necessity for an Pg viii extended scientific collaboration in the near future and are embodied in

two new chapters written for the American edition I know that my method has been widely spoken of in America thanks to Mr S S McClure who has presented it through the pages of his well known magazine Indeed many Americans have already come to Rome for the purpose of observing personally the practical application of the method in my little schools If encouraged by this movement I may express a hope for the future it is that my work in Rome shall become the centre of an efficient and helpful collaboration To the Harvard professors who have made my work known in America and to McClure s Magazine a mere acknowledgment of what I owe them is a barren response but it is my hope that the method itself in its effect upon the children of America may prove an adequate expression of my gratitude Maria Montessori The Montessori Toddler Activity Book Beth Wood,2021-06-08 Inspire confidence independence and joyful discovery with at home Montessori activities for toddlers The Montessori Toddler Activity Book helps parents and caregivers turn ordinary moments into meaningful learning with over 60 engaging at home activities each crafted to align with Montessori principles Whether you re a devoted Montessori follower or just looking for some structured play ideas this gentle and easy to use guide meets toddlers where they are curious capable and ready to grow Expert guidance These activities were created by Beth Wood a 0 3 and 3 6 year old accredited Montessori teacher and a 6 12 year old accredited Montessori assistant Purposeful activities for ages 1 3 Help toddlers practice motor skills language sensory exploration and more with activities like moving to music creating a suncatcher and playing card games Easy to do at home All of the activities use common materials you probably have at home and include clear instructions plus tips to adjust for your child s pace and interests Organized for developmental growth The activities are sorted into five key areas motor development sensory stimulation language practical life and art Unlock the power of the Montessori method with this activity book designed to nurture your toddler s development through simple everyday play
