Creative Ideas For Teaching Evaluation Donna M. Mertens, 2013-04-17 In 1976 the first session on the teaching of evaluation was held at an annual meeting of evaluators. A few hardy souls gathered to exchange ideas on improving the teaching of evaluation. At subsequent annual meetings these informal sessions attracted more and more participants eager to talk about common teaching interests and to exchange reading lists, syllabuses, assignments and paper topics. The sessions were irreverent, innovative, lively and unpredictable. Eventually the group formalized itself with the American Evaluation Association as the Topical Interest Group in the Teaching of Evaluation (TIG TOE). As word of TIG TOE's activities spread, instructors from all over the country clamored for assistance and advice. It became apparent that a handbook was needed, a practical interdisciplinary guide to the teaching of evaluation. Donna M. Mertens, a long standing member of TIG TOE and an accomplished teacher of evaluation, volunteered to edit the book and her skills, sensitivity and experience in the craft of teaching are apparent throughout.
