Handbook of Social and Emotional Learning Joseph A. Durlak, Celene E. Domitrovich, Joseph L. Mahoney, 2024-12-19 The definitive work on social and emotional learning SEL research and practice is now in an extensively revised second edition featuring all new and thoroughly updated chapters. The world's leading SEL scholars describe state-of-the-art interventions that build students' competencies for managing emotions, showing empathy for others, forming supportive relationships, and making responsible decisions. The scientific underpinnings of SEL are explored and its impact on academic achievement and behavior is examined. The Handbook discusses ways to assess SEL and design effective developmentally and culturally informed programs for students in preschool through secondary school settings and beyond. New to This Edition Reflects a decade of significant advances in research, policy, and implementation. New and expanded topics include culturally responsive practice, multi-tiered systems of support, adult SEL, technology tools and applications, mental health, scaling up successful interventions, and more. Six chapters on international SEL efforts discussing both developed and developing countries. Every chapter concludes with Key Takeaway Points.

Maintaining Financial Stability in Times of Risk and Uncertainty

Behl, Abhishek, Nayak, Sushma, 2018-12-04 Risks and uncertainties in financial markets, operational, social, humanitarian, environmental, and institutional are the inherent realities of the modern world. Stock market crashes, demonetization of currency, and climate change constitute just a few examples that can adversely impact financial institutions across the globe. To mitigate these risks and avoid a financial crisis, a better understanding of how the economy responds to uncertainties is needed. *Maintaining Financial Stability in Times of Risk and Uncertainty* is an essential reference source that discusses how risks and uncertainties affect the financial stability and security of individuals and institutions, as well as probable solutions to mitigate risk and achieve financial resilience under uncertainty. Featuring research on topics such as financial fraud, insurance ombudsman, and Knightian uncertainty, this book is developed for researchers, academicians, policymakers, students, and scholars.
