Normalcy I need to get back to a state of normalcy What's happened to me Why am I here in this orphanage and why am I forbidden to leave Everyone is so very cruel here I can't eat I can't sleep It's the paranoia getting to me It's like someone's always watching always listening There's a general fear around here and for some reason it seems fueled by my arrival but why are they afraid of me I didn't ask for this I don't even know how I got here I need to go home My parents must be worried sick There has to be someone here who can help me who can give me answers and lead me in the right direction so I can get out of here There is this one boy Lydic Could he be my key to getting out I can see it in his eyes he feels sorry for me He seems to know more than he's letting on These people aren't like anyone I've ever met before
