**The Preservation Management Handbook** Ross Harvey, Martha R. Mahard, 2014-04-10 Cultural heritage professionals museum curators museum professionals archivists and librarians work with their specialized knowledge to prioritize the needs of their collections Preservation managers draw on experts in climate control fire safety pest management and more in developing the large overview of a collection and its needs And all the special materials within the collections have their experts too Here in one volume is a wide range of topic specific expertise that comprises both an enduring text for preservation students as well as an essential one stop reference for cultural heritage professionals particularly those in small to medium sized organizations where resources are limited and professional help is not always at hand The editors introduce the reader to the essential tools and principles of a preservation management program in the twenty first century addressing the realities of diverse collections and materials and embracing the challenges of working with both analog and digital collections The sections on planning and managing a preservation program contain the basic starting point for any kind of collection regardless of size and content Written with the small collection in mind the principles are nevertheless scalable and widely applicable

*The Routledge Handbook of Designing Public Spaces for Young People* Janet Loebach, Sarah Little, Adina Cox, Patsy Eubanks Owens, 2020-06-03 The Routledge Handbook of Designing Public Spaces for Young People is a thorough and practical resource for all who wish to influence policy and design decisions in order to increase young people's access to and use of public spaces as well as their role in design and decision making processes The ability of youth to freely enjoy public spaces and to develop a sense of belonging and attachment to these environments is critical for their physical social cognitive and emotional development Young people represent a vital citizen group with legitimate rights to occupy and shape their public environments yet they are often driven out of public places by adult users restrictive bylaws or hostile designs It is also important that children and youth have the opportunity to genuinely participate in the planning of public spaces and to have their needs considered in the design of the public realm This book provides both evidence and tools to help effectively advocate for more youth inclusive public environments as well as integrate youth directly into both research and design processes related to the public realm It is essential reading for researchers design and planning professionals community leaders and youth advocates

**Community-Built** Katherine Melcher, Barry Stiefel, Kristin Faurest, 2016-11-25 Throughout history and around the world community members have come together to build places be it settlers constructing log cabins in nineteenth century Canada an artist group creating a waterfront gathering place along the Danube in Budapest or residents helping revive small town main streets in the United States What all these projects have in common is that they involve local volunteers in the construction of public and community places they are community built Although much attention has been given to specific community built movements such as public murals and community gardens little has been given to defining community built as a whole This volume provides a preliminary description of

community built practices with examples from the disciplines of urban design historic preservation and community art Taken as a whole these community built projects illustrate how the process of local involvement in adapting building and preserving a built environment can strengthen communities and create places that are intimately tied to local needs culture and community The lessons learned from this volume can provide community planners grassroots facilitators and participants with an understanding of what can lead to successful community built art construction preservation and placemaking

*Understanding Russian Politics* Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

*In Numbers* Victor Brand, 2009 *In Numbers* is a survey of serial publications dating from 1955 To The present day that have been produced by artists from around the world Amid historical groundswells like the rise of the little press in the 1960s The correspondence art movement of the early 1970s And The DIY culture of zines in the 1980s and early 1990s professional artists have seized on the format of magazines and postcards as sites for a new kind of art production These are not publications that feature news items criticism manifestos or reproductions of artworks but are themselves artworks often collaborative and idiosyncratic In large part they are produced by younger artists operating at the peripheries of mainstream art cultures or by established artists looking for an alternative To The marketplace This publication is the first volume to define an overlooked art form that is neither artists book nor ephemera but entirely its own unique object This survey includes Raymond Pettibon's *Tripping Corpse* Maurizio Cattelan's *Permanent Food* and many other contemporary examples such as North Drive Press and Continuous Project Approximately 60 publications are surveyed in total *In Numbers* documents the history of each publication its inception production distribution and significance together with a thorough completely illustrated bibliography for each title Co published with PPP Editions New York English text
