Guide Human Resource Study:

Studying Human Resource Management Stephen Taylor, Carol Woodhams, 2022-09-03 Studying Human Resource Management is an ideal textbook for anyone studying the CIPD Associate Diploma in People Management. Fully updated throughout, this book provides thorough coverage of the study of HRM including the people management contribution and business environment as well as discussing the strategy and structure of the HR function. Written by experts in the field with both academic and practitioner experience, *Studying Human Resource Management* includes invaluable discussion on professional behaviours for people professionals and guidance on how to manage HR data and information and most importantly how to use it to make evidence based decisions. There is also a brand new chapter on shaping people practice to benefit your organisation. Each chapter includes key learning outcomes to summarise the content that will be covered and to help students track their progress. Reflective activities to consolidate learning and further reading suggestions to support wider engagement with areas of particular interest. This book also includes case studies to help students understand how the theory applies in practice. Online resources include slides, a lecturer guide and annotated web links.

Strategic Human Resource Management Open University BZX827/Study and assessment guide, John Storey, Kristen Reid, 2009 *Human Resource Management* Michael Müller-Camen, Richard Croucher, Susan Rosemary Leigh, 2008-01-31 Human Resource Management A Case Study Approach is ideal for all HR students with limited real life experience of HR in the workplace. Covering all the essential HR topics including recruitment, reward, performance management, employment relations, health and safety, and equality and diversity, this book expertly uses case studies of these activities and issues in the real world to truly show HR in practice. Closely structured around the changing role of the HR function, *Human Resource Management A Case Study Approach* provides expert guidance on HR processes and practices in the modern workplace while also looking forward to the role of HR professionals in the future. Packed with case studies, international examples and global research, this is an essential resource for all students of HR from the beginning of their studies right through to graduation and into the workplace. Online resources include powerpoint slides and lecture notes for tutors and additional case studies and multiple choice questions for students. *PHR / SPHR Professional in Human Resources Certification Study Guide* Anne M. Bogardus, 2009-10-16 More than 80 000 HR professionals having earned the Senior Professional in Human Resources (SPHR) or Professional in Human Resources (PHR) certification and another 20 000 are expected to take the exam in 2009. This complete update of the bestselling guide to HR certification contains additional coverage of new HR policies and standards as well as updated practice exam questions and real world scenarios. Key topics include strategic management, workforce planning and employment compensation and benefits, employee and labor relations, and Occupational Safety and Health Administration (OSHA) regulations. The CD ROM contains two bonus exams, one each for PHR and SPHR, as well as flashcards and an electronic book. Note: CD ROM, DVD and other supplementary materials are not included as part of eBook.
