

## **IMPORTANCE OF ENGLISH LANGUAGE ESSAY**

**English has become a very important language in the world. It is the language in which the entire world communicates. It is also the language of business and education. English is also the language of Travel and tourism. If you travel to another country, you will most likely speak to them in English.**

**English is truly the international language in which all international events, such as the Olympics, are conducted. It is also the language of technology and science. This means that without knowing English, a person cannot be successful in his life. That is why learning English is considered so important**

---

**No other language has attained the popularity and prestige as the English language has. It is the most widely spoken language in the world. In several nations around the world, English has been adopted as an official language. It is the language of business and diplomacy. English is the language of science and technology, upon which today's world heavily relies. It is also the language in which global communication takes place. In many countries with diversity such as India, people from one state communicate to their fellow Indians from other states in English.**

**In many countries, the ability to speak in English is seen as proof of one's education and social standing. Also, many employment openings in a variety of industries now require candidates to be fluent in the English language. It is difficult for a person to succeed in life without knowing and being able to speak English.**
