Hope For Christmas English Edition:

The Spirit of Hope Byung-Chul Han, 2024-09-09 A spectre is haunting us fear We are constantly confronted with apocalyptic scenarios pandemics world war the climate catastrophe Images of the end of the world and the end of human civilization are conjured up with ever greater urgency Anxiously we face a bleak future Preoccupied with crisis management life becomes a matter of survival But it is precisely at such moments of fear and despair that hope arises like a phoenix from the ashes Only hope can give us back a life that is more than mere survival Fear isolates people and closes them off from one another hope by contrast unites people and forms communities It opens up a meaningful horizon that re invigorates and inspires life It nurtures fantasy and enables us to think about what is yet to come It makes action possible because it infuses our world with purpose and meaning Hope is the spring that liberates us from our collective despair and gives us a future In this short essay on hope Byung Chul Han gives us the perfect antidote to the climate of fear that pervades our world
