[Handbook on the Gospels \(Handbooks on the New Testament\)](#) Benjamin L. Gladd, 2021-06-01 A leading New Testament scholar provides an easy to navigate resource for studying and understanding the Gospels. Written with classroom utility and pastoral application in mind, this accessibly written volume summarizes the content of each major section of the biblical text to help students, pastors, and laypeople quickly grasp the sense of particular passages. The series modeled after Baker Academic's successful Old Testament Handbook series focuses primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis. The book covers all four Gospels and explores each major passage showing how Jesus is the central figure of each plot. It also unpacks how the Old Testament informs the Gospels.

Hope for the Same-Sex Attracted Ron Citlau, 2017-03-14 Helping the Same Sex Attracted Faithfully Follow Jesus. As Christians seek to be biblically faithful on the issue of homosexuality, two fundamental questions come to mind: How can a person with same sex attraction faithfully follow Jesus in his or her sexuality? And how can we support and encourage them in this? With compassion and wisdom on a topic rife with misunderstanding and hurt, author and pastor Ron Citlau will help you think deeply and clearly about every option the Bible offers and what it clearly does not. Having personally dealt with same sex attraction, walked with others still struggling, and pastored those with gay loved ones, he thoroughly examines all of the available options: heterosexual marriage, singleness, celibacy, and more, and considers them in light of the Scriptures. With clarity and grace, he helps you discover the remarkable gifts God provides to the Christian who struggles with same sex attraction and desires to faithfully follow Jesus. Here is a message of hope and practical loving guidance for those who are same sex attracted and those who love them.

Forged T.C. Moore, 2024-02-13 Following the way of Jesus should lead us into authentic and life giving relationships. The Jesus Way calls us into community with others to form a new kind of family: a forged family. In an era when our relationships with our families of origin are more complicated than ever, pastor T.C. Moore shows us how following the way of Jesus can lead us to forged families that are authentic and life giving. Our forged families are the ones who love us for who we are and show up for us when we're in desperate need. Our forged families are the ones with whom we've worked through conflict. Our forged families make us who we are, strengthen our faith, and sustain us through life's many challenges. Forged weaves together stories from the author's over twenty years of experience with urban, multiethnic ministry all over the US, principles from Scripture, and his own experience as an ex-gang member turned church planter and pastor to propose a way of approaching faith in community that rejects hierarchical, bureaucratic structures in favor of formative, inclusive friendships that last.

theology are important concepts for Christians This important work identifies how philosophy shapes theology while also addressing various philosophical issues that arise within the Bible and theology The hope is that this book will catapult the reader into critical thinking while creating an appetite and appreciation for these separate yet similar disciplines
