## **Is Rip Off Report Legitimate:**

*Trial by Internet* Avery Elizabeth Hurt, 2017-07-15 The relative anonymity the Internet provides allows us to assert our knowledge like a professor show off our seemingly perfect lives and judge like we're presiding over a court of law. The problem with this relatively new phenomenon is that we often make snap judgments about other people's actions or statements without knowing all of the facts and without giving others the benefit of the doubt. This volume dives deep into the realities of the Internet age. Do we become different people when we're on the Internet? What responsibility do we have in our treatment of others in this new society? Is it our place to be virtual judge and jury? Scammed Gini Graham

*Scammed*, 2016-10-11 Drawn from the personal experience of dozens of victims including the author's own encounters, *Scammed* exposes the most prevalent consumer and money scams lurking in modern society. With so many people falling prey to a wide variety of frauds due to increasing vulnerability on the anonymous Internet, an exposé has never been timelier. This recounts the stories of victims of over two dozen different types of scams and what they did to recover. These scams include Auto repair industry scams, Insurance industry scams, Housing industry scams, and real estate house flip scams, Home repair scams, Counterfeit products, Phony job offers, Phony publishing and film producing offers, Phony investments, Phony money scams, from scamsters asking for help. And many others. The chilling tales and details of these scams are interspersed with the wisdom of how each one can be dealt with and avoided. Readers will take away from the shocking stories confidence that they have gained the knowledge and preparedness to avoid being Scammed. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts with emphasis on the business of art. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.
