

# BEFORE YOU PUBLISH

A must do seven-point checklist to help first-time authors avoid making mistakes that are extremely difficult to correct after self-publishing a new book.

## 1 PERFECT YOUR MANUSCRIPT

Your manuscript needs to be read, and indeed, carefully proofread by a bare minimum of three people apart from the author. Read here, more is very much better.

## 2 A FANTASIC BOOK COVER

If you spend money on nothing else, spend wisely and pay for a professionally designed book cover, and especially doubly so for a print on demand (POD) paperback.

## 3 GET YOUR WEBSITE READY

Racing to update, or worse, building a new website when or after you publish a new book is going to waste a lot of promotional traction.

## 4 ALIGN YOUR SOCIAL MEDIA

You are going to be an author, so make sure your social media accounts reflect your new status. Check all your profile descriptions and re-write them to note that you write books.

## 5 PLAN YOUR BOOK LAUNCH

Use every single resource you have, and also investigate what you can do to spread the word even further. If your budget allows, look at book promotion services that can give your book a promotional boost.

## 6 WRITE YOUR BOOK DESCRIPTION

A great book description excites, builds expectation and tells a reader why they should buy your book. Your book description is second only to your great book cover in attracting book buyers, so make sure it's a winner.

## 7 CATEGORIES AND KEYWORDS

It takes time to investigate which two main categories will help promote your book, and even more, research is needed to find seven keywords or keyword phrases that will help readers find your book by Search.

Slow down and don't get carried away with all the excitement.

Get things right first, before you self-publish.

**A Letter From The Author** People often ask me how I write high quality books at such high speeds. I've written and self published seven books as of this writing. Writing didn't come naturally to me. I've experienced a lot of the challenges I'm going to tackle in this book firsthand. I never even thought I would enjoy writing so much let alone make it a significant source of income. Self publishing has been an amazing experience for me. It generates a significant amount of passive income. Self publishing has also led me to high priced consulting and speaking opportunities and press coverage. It's made me a better thinker, presenter and communicator. My books have boosted my professional credibility and attracted customers to my business. In addition, writing has become one of my biggest passions so I'm very excited to help my readers. And yes, I wrote this book in 10 days. I'm by no means an expert on writing and you don't have to be an expert on the topic of your book either. I didn't go to school for writing. I haven't been writing for decades. The tips, strategies, tactics and hacks contained within this book are what have helped me go from zero to writing a few blog posts to self publishing seven books. I'm confident that if you practice these ideas, your writing speed and quality will increase tremendously.
