The Complete Book of Classic Ford F-Series Pickups Dan Sanchez, 2014-11-19 Learn all there is to know about the most popular vehicles in history Ford's F series pickups are simply the most popular vehicles ever. The F150 set a modern day single month sales record for the industry with 126,905 trucks sold in July 2005 the most sales of any single nameplate in any month since the days of the Ford Model T. The F series has been the best selling vehicle in the world for most of the past forty years and to date Ford has produced nearly fifty million models. The Complete Book of Classic Ford F Series Pickups covers all the classic models in Ford's popular line of light duty trucks from the first F 1 pickup of 1948 through 1976.

That classic era of Ford pickups is captured in this color history devoting one chapter to each year in the F Series first nine years. Featured are interviews with retired Ford designers and engineers period advertisements technical details and sidebars highlighting little known and interesting facts about this revolutionary era in pickup design. Modern color photography of restored pickups and archival black and white photos are accompanied by engineers original drawings and artists renderings.
