Medievalism in A Song of Ice and Fire and Game of Thrones Shiloh Carroll, 2018 Game of Thrones is famously inspired by the Middle Ages but how authentic is the world it presents This volume offers different angles to the question One of the biggest attractions of George R R Martin s high fantasy series A Song of Ice and Fire and by extension its HBO television adaptation Game of Thrones is its claim to historical realism The author the directors and producers of the adaptation and indeed the fans of the books and show all lay claim to Westeros its setting as representative of an authentic medieval world But how true are these claims Is it possible to faithfully represent a time so far removed from our own in time and culture And what does an authentic medieval fantasy world look like This book explores Martin s and HBO s approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns Examining both books and programme from a range of critical approaches medievalism theory gender theory queer theory postcolonial theory and race theory Dr Carroll analyzes how the drive for historical realism affects the books and show s treatment of men women people of colour sexuality and imperialism as well as how the author and showrunners discuss these effects outside the texts themselves SHILOH CARROLL teaches in the writing center at Tennessee State University

Written Bec Evans, Chris Smith, 2023-01-05 With a Foreword by OLIVER BURKEMAN bestselling author of the Sunday Times bestseller Four Thousand Weeks Written is a transformative guide that anyone can use to overcome their blocks and build a successful writing habit Many people think that there s only one right way to get the writing done or that trying harder is the key Award winning writers productivity coaches and co founders of Prolifiko Bec Evans and Chris Smith know this isn t true Having coached over 10 000 writers they ve learned that productivity is personal Their unique results driven approach is designed to help you find a realistic and sustainable practice that will get you to the

end of any writing project no matter how stuck you feel Applying research from neuroscience and psychology and based on the authors own practice and findings Written will show you how to manage your time effectively how to visualise and set successful goals how to recover from setbacks and ultimately how to create writing habits that work for you Along the way you ll hear inspiring and relatable stories from other writers who have overcome their struggles to find success Each chapter ends with practical coaching exercises that you can start implementing right now For anyone with a project they need to get written whether a business book thesis or work of fiction this inspiring book offers practical strategies to beat the inner critic find time keep motivated and write

A Game of Thrones. From Novel to TV Onno Thießen, 2013-04-17 Bachelor Thesis from the year 2013 in the subject American Studies Miscellaneous grade 1 3 Dresden Technical University Anglistik Amerikanistik course Kulturwissenschaften Nordamerika language English abstract This thesis takes a closer look at the adaption process from the novel A Game of thrones to the popular TV series with the focus on a structural comparison and the alterations from the novel to the series A shift in the depiction of characters fidelity aspects and political statements of the installments are also considered Last but not least this thesis takes a closer look at the level of illicitness in the series and if there is an equivalent in the novel
