**Disciplining the Teacher** If she s being honest Sandra Rogers sometimes enjoys jerking around the male college students in her classes but when she goes too far with her bad marks she finds out there s someone in her class who won t get pushed too far Jackson an undergraduate after completing his military service has discovered a dirty little secret that Sandra will do anything to keep from getting out into the open He s willing to keep this secret between them but he wants to be sure that still gets the punishment she so very much deserves

**Caught By My Professor** Rachel Stanton has always found ways of using her good looks to get ahead and when she arrives in college it doesn t look like that s going to have to change But her easy ride runs out when her professor Alex Cossaign notices her flirting with a classmate only to copy his course work The handsome professor decides it s time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like

**Naughty Rumors** Annie doesn t know why she started the rumor about Professor Richardson her handsome and popular literature professor Maybe it was just a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Mr Clay himself and when Annie is called down to the office on a Friday afternoon she finds out he s heard a lot more Once past the initial mortification she can admit she s probably earned the spanking she ll get but did he really have to tell Professor Richardson about the whole thing too

Excerpt I m going to punish you Sandra he explained his hand undoing the zipper and allowing the skirt to open and fall to the floor I clutched a hand over my panties You don t seem to be grasping that reality It s either me or the Chair of your Department Which one do you want it to be I stared at him caught in an impossible place I had no one to blame but myself Why had I done it And now I was completely at his mercy Well You I whispered Me You want me to punish you I grimaced trying to think of some other option Sandra What s it going to be Yes The smile returned to his face That s a good girl I thought you d see it my way It just took a little explaining Now bend down and pick up your skirt and hand it to me I d hate to let it wrinkle down there The deep crimson blush of humiliation was rising in my face as I stared at him paralyzed Sandra he repeated pointing at my fallen garment I slid my back down the wall until I felt the rumpled fabric in my hand I stepped out of it and rose with it draped from my limp fingers Jackson held out his hand for it and I gave it to him He folded it with care placed it on the desk behind him and then turned back to me He eyed me up and down evaluating the woman standing before him I was supposed to be the authority figure but how fast the tables had turned I felt the blush in my cheeks burning hotter than ever as I felt his eyes roving my trembling body Other more

conflicted and confusing emotions were playing about inside me as well as I noticed the slight quickening of his breath and the desire in his eyes
