Homecoming Themes For Spirit Week:

Life (Or Something Like It) at Mallard High Greg Martini, 2012-01-17 I don't yell at people I just shatter them emotionally and make them cry Meet Tony Calamari Freshman year at Mallard High does not begin well For one thing too many adults are telling him what to do and there are too many annoying kids he has to spend four more years with Like the last nine years weren't bad enough yes he's counting kindergarten If only he could ignore as many people as possible but no one will let him Which is just typical Then one day he finds himself assigned to a classroom where maybe just maybe he might begin to like high school in spite of himself

First Love, Fragile Heart Susan Bloom, 2019-08-28 First Love Fragile Heart is an emotional story about first love and the true definition of a roller coaster relationship Sandy and Andrew are high school students that think they know what love is but figure out quickly that they have a lot to learn

Just a Little Complicated Steph Weston, 2020-08-01 A binge worthy young adult read with just the right amount of drama conflict friendship and romance Can't wait for the next book in the series Goodreads Review From USA Today Best Selling Author Steph Weston comes the first book in the exciting stand alone Sanctuary Cove Series Some secrets aren't meant to stay buried Hailee Munroe thought her life was picture perfect Great friends A perfect boyfriend Co captain of the cheer squad Her senior year was everything she wanted it to be until it was taken away in one horrific moment A moment that takes her best friend Hope away from her forever Now plagued with survivor's guilt she lashes out and blames the person she holds responsible Nick Her dead best friend's boyfriend and her secret ex She's

managed to hide their past for this long but she doesn't know he's hiding something even bigger something that will change everything Hailee must face the shocking truth head on or risk losing it all in an instant Secrets are revealed lines are blurred complicated is just the beginning PRAISE FOR JUST A LITTLE COMPLICATED Interesting characters and entertaining story Goodreads Review Nick and Hailee's story is both sweet and tragic Steph does an amazing job of depicting high school The characters were relatable and funny and most of the dialogue was realistic I love that the book puts life into perspective even if you think everything is perfect something could go wrong The way grief was written was extremely accurate at least in my experience I would definitely recommend this book to anyone who enjoys young adult books
