**Medical Coding: Icd-10-Cm Speedy Study Guides** Speedy Publishing,2014-07-16 Every known illness disease and condition has a specific number that

goes along with the word describing the person's medical problem. Every physician and their office staff must know medical codes for the sake of billing purposes. If the doctor and office staff does not code a specific illness condition or disease correctly, the insurance company may not pay for treatment, medication, in-hospital stays, outpatient treatment, and a number of surgical and other procedures performed for the patient, making it impossible for the patient to receive the proper treatment. Common illnesses, diseases, and conditions listed in a pamphlet would enable the medical student to become familiar and able to memorize with the more common medical codes. The bottom line for using proper ICD codes is money reimbursement for the medical community and patient.

Look at what some students had to say after using our practice exams:

I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product, a practice exam, and the strategies to pass before sitting for the CPC exam. I received my results yesterday: I MADE A 92! I used all of the strategies you recommended: time management, highlighting, etc., which made all the difference in the world. Thank you so much!

Heather T: This is very good. I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers, which helped me learn while I corrected the test. When I took the practice test, I set a timer for 5 hr 40 min and was able to complete in 3 hours with a score of 89%.

Linda B: CPC. I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in 297 minutes and scored an 84%.

Elizabeth H: I am thrilled to report that I passed my CPC Exam on December 12th.

Kathleen C: Your test was amazing; it helped me out a lot.

Vickey L: Well, the practice test helped me pass my CPC exam. I got the good news last week.

Erica J: I wanted to thank you for the CPC practice exam. Thanks to the practice, I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing, and the lab questions were especially helpful.

Mark T: Woohoo! I passed. I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow, I am glad that's over. Thanks again.

Deanna A: I did purchase the practice exam from you before the new year, and I passed my CPC. I found out literally New Year's Eve. Thanks for the great exam.

Sabrina: I took the CPC exam Dec 7. As a matter of fact, I did pass the CPC exam, and your practice exam helped. Thanks. Go ahead and list my name in your Certified Coders section.

Lester B: I have passed the CPC and thank you for all of your help with the preparation materials.
