**Men's Ministry Training** Keith Burkhardt, 2018-01-21 Contemporary male culture is broken. Every pastor and church leader knows it. They deal with the fallout every single day but few know what to do about it. Although ministry and discipleship resources abound few off a comprehensive strategy for addressing the problem that works in all ministry environments. The Advanced Men's Ministry Training (AMMT) was developed to supply what's been lacking to this point a practical one size fits all guide for building an effective men's ministry from the ground up. Pastors and men's ministry leaders will find this resource useful both in the building and the maintenance of your men's ministry as your church strives to reach lost men with the Gospel. Disciple them train them up and send them out to advance the Kingdom of God. This book will serve as an invaluable roadmap as you navigate the ministry road ahead.

**Ministry Training Academies** Mick Schultz, 2016-03-22

Ministry Training Academies are dynamic ministries that train and release children to do ministry. They provide children with a unique opportunity to learn ministry through hands on experience. Ministry Training Academies also help to fulfill the purpose of the local church. Given that children make up approximately 25% of the church population it would be unlikely for a church to fulfill what God has called it to do unless children are engaged in helping fulfill that purpose. Can you imagine if every evangelical church equipped and released their children in ministry? Not only would there be radical changes in the church of Jesus Christ there would be changes in homes schools and neighborhoods. Children who walk in newness of Christ as a believer AND partner with Him in ministry will have a profound impact in their world. Let's stop doing ministry to our children and begin a chapter in church history where we begin doing ministry WITH children.

when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them **Healing Ministry Training** Mick J. Brindle, 2010-01-09 God is truly moving today in power This training program provides both instructional and spiritual insights on how to start a healing ministry Many church leaders today have a deep desire to have a healing ministry but are often not sure just how to start one This three session training guide is brief but very thorough in providing insights into the different mind sets in the church today concerning Gods Spiritual Gifts Knowing our authority as Christians and walking in the anointing of the Holy Spirit is key to breaking the chains of physical spiritual and emotional bondage As a minister of healing and deliverance I can with certainty say that serving as a team in full unity under the authority of God is key to seeing the powers of darkness bow at the name of Jesus Jesus gave all Christians the authority to heal the sick cast out demons and raise the dead
