Minnesota Landlord Guide:

The Landlord's Guide to Minnesota Law HOME Line, Michael Vraa, Esq., Samuel Spaid, Esq., 2015-10-05 *The Landlord's Guide to Minnesota Law* addresses every landlord tenant legal issue that is likely to arise over the course of a lease. From how to find a tenant to what to do once they leave, it is a practical and thorough legal analysis of what Minnesota landlords need to know about complying with the relevant federal, state, and local laws. At the end of each chapter, you'll find Tips from a Tenant Attorney. These tips offer more creative advice on how landlords can solve difficult legal situations or prevent them from ever occurring. Also included is our exclusive line-by-line analysis of the Minnesota State Bar Association's Model Residential Lease. Instead of guessing what your lease terms mean, this guide tells you why each term exists and how it applies to your situation. This book was written by practicing attorneys in Minnesota who work exclusively in landlord tenant law. There are dozens of legal guides available online for landlords, but none of them focus on Minnesota statutes and regulations, and when it comes to landlord tenant legal issues, state law is key. Both authors are currently practicing attorneys with over 25 years of experience in tenant/landlord law, advising over 39,000 renters on HOME Line's tenant hotline. They also train a wide variety of audiences in tenant/landlord law, including over 100 trainings to landlord groups throughout Minnesota.

How to be the Smartest Renter on Your Block HOME Line, 2011-03-30 HOME Line wrote *How to Be the Smartest Renter on Your Block* to help renters through the process of finding, getting, and maintaining rental housing. Reflecting upon the real-life concerns we hear through thousands of questions on our tenant hotline, this book gives advice on the best ways to handle and avoid the most common rental problems. This book follows the rental process from beginning to end, with several additional chapters on unique rental housing situations. The book begins with advice regarding finding and applying for an apartment and moves on to understanding the terms of a lease. Next, some of the most common issues renters run into once they've moved in are covered: getting repairs made, dealing with neighbors, right to privacy, and more. Later, the book addresses what to expect when a renter intends to move out of an apartment and how to make sure a security deposit is returned. Furthermore, several immediate emerging issues in the rental market are covered: What does a renter do when a landlord is in foreclosure? Who is responsible for paying when an apartment becomes infested with bedbugs? Lastly, we take a detailed look at community organizing and how tenants can work collectively to hold their landlords and elected officials accountable. *How to Be the Smartest Renter on Your Block* answers these questions and more.
