**RESPONSIBILITY**, 2024 **Business Ethics and Social Responsibility** Joseph Eisenhauer, Lawrence Zeff, 2023-11-25 Fr Gerald F Cavanagh S J has been widely recognized as one of the founders of the field of business ethics as well as a leader in bringing Catholic Social Teaching to bear on this academic discipline One of his principal insights has been that business as the most powerful agency in society can and should be a force for positive societal change rather than deferring that responsibility to government This volume collects his most significant contributions to the discipline from the mid 1960s to the early 2020s into a single convenient reference work To show the development of his thought on various issues pertaining to the broad subject of business ethics the chapters are organized into five major themes diversity equity and inclusion the dignity of work personal values and spirituality in the workplace ethical norms and organizational values corporate social responsibility and business ethics in the college curriculum Building the Responsible Enterprise Sandra Waddock, Andreas Rasche, 2012-06-13 Building the Responsible Enterprise provides students and practitioners with a practical yet academically rooted introduction to the state of the art in sustainability and corporate social responsibility The book consists of four parts highlighting different aspects of corporate responsibility Part I discusses the context in which corporate responsibility occurs Part II looks at three critical issues the development of vision at the individual and organizational levels the integration of values into the responsible enterprise and the ways that these building blocks create added value for a firm Part III highlights the actual management practices that enable enterprises to achieve excellence focusing on the roles that stakeholder relationships play in improving performance The book concludes with a conversation about responsible management in the global village examining the emerging infrastructure in which enterprise finds itself today Throughout the text cases exemplify key concepts and highlight companies that are guiding us into tomorrow's business environment Responsibility, Ethics and Legitimacy of Corporations Jacob Dahl Rendtorff, 2009 Business ethics corporate social responsibility corporate citizenship values driven management corporate governance and ethical leadership are necessary horizons for the legitimacy of corporations in the process of globalization Based on hermeneutics and institutional analysis this book discusses the place of values in corporations and the role of ethics in management With the theories of business ethics as a starting point it is possible to propose a vision of the good citizen corporation The book

presents theories concepts of responsibility for stakeholder justice and basic ethical principles of respect for autonomy dignity integrity and vulnerability This is the foundation for an analysis of the ethical relations to internal and external constituencies of the firm i e shareholders owners investors management employees consumers and local community The interaction with the environment is further analyzed with a focus on ethical principles as the basis for sustainability This investigation culminates with the conceptualization of the firm as a collective and institutional moral agent The content also includes analysis of concrete political developments in the US Europe and the United Nations Finally the book provides a framework for a new corporate strategy based on global business ethics      *The United Nations Global Compact and the Encyclical Laudato Si* Oliver F. Williams, 2023-04-21 In April 2016 the Center for Ethics and Religious Values in Business of the Mendoza College of Business at the University of Notre Dame with the United Nations Global Compact UNGC Office convened a group of scholars and business leaders to discuss the Encyclical Laudato Si LS and the UN Sustainable Development Goals SDGs The articles in this special issue are from that conference the hope is that they will provoke your thinking and lead to new action to make the world a better place How is it that the secular United Nations and the religious Vatican have a common vision for business At root this common vision for business flows from a common vision for society as a whole For business flowing from this common vision is a common understanding of the purpose of business Catholic social thought has always taught that the single minded focus on making money in business can never be acceptable The purpose of business is to create sustainable value for stakeholders and that value is not exclusively monetary value      Monthly Labor Review , 1972-03 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews      Management, International Adaptation John R.
