Getting Over Harry:

GETTING OVER HARRY Renee Roszel, Ayumi Sasaki, Free Comic Emily's fiancé has eloped with her own sister right before their wedding. Broken-hearted Emily goes on an island vacation to recover. When Emily confesses to her best friend Meg that she now has doubts about her desirability, Meg advises her to have a fling and reinvent herself as a sexual woman. So Emily musters up her courage and hits on a hot guy she meets at the beach, but will a vacation fling be enough? *Getting Over Harry* Renee Roszel, 1997-02-01

Out of the Shadows Walt Odets, 2019-06-04 A moving exploration of how gay men construct their identities, fight to be themselves and live authentically. It goes without saying that even today it's not easy to be gay in America. While young gay men often come out more readily even those from the most progressive of backgrounds still struggle with the legacy of early life stigma and a deficit of self-acceptance which can fuel doubt, regret and at worst self-loathing. And this is to say nothing of the ongoing trauma wrought by AIDS which is all too often relegated to history. Drawing on his work as a clinical psychologist during and in the aftermath of the epidemic, Walt Odets reflects on what it means to survive and figure out a way to live in a new uncompromising future both for the men who endured the upheaval of those years and for the younger men who have come of age since then at a time when an HIV epidemic is still ravaging the gay community especially among the most marginalized. Through moving stories of friends and patients and his own, Odets considers how experiences early in life launch men on trajectories aimed at futures that are not authentically theirs. He writes to help reconstruct how we think about gay life by considering everything from the misleading idea of the homosexual to the diversity and richness of gay relationships to the historical role of stigma and shame and the significance of youth and of aging. Crawling out from under the trauma of destructive early life experience and the two epidemics and into a century of shifting social values provides an opportunity to explore possibilities rather than live with limitations imposed by others. Though it is drawn from decades of private practice, activism and life in the gay community, Odets's work achieves remarkable universality. At its core, *Out of the Shadows* is driven by his belief that it is time that we act based on who we are and not who others are or who they would want us to be. We particularly the young must construct our own paths through life. *Out of the Shadows* is a necessary impassioned argument for how and why we must all take hold of our futures. **The Long Green** Bart Spicer, 1952

Singing Boy Dennis McFarland, 2002-03-06 On the way home from dinner, Malcolm Vaughn is shot and killed in front of his family, the victim of a random act of violence. Undone by shock and grief, his wife Sarah retreats from the world, postponing her return to work and their son Harry's return to school. Harry appears to have come through the loss unscathed until a troubling incident reveals his profound pain and confusion. It will take time and the support of Malcolm's best friend, Deckard, a Vietnam vet with troubles of his own, to help them understand the intricacies of their sorrow.
