

# EXPOSITORY WRITING ASSIGNMENTS:

**" ALL WRITING ASSIGNMENTS SHOULD BE DONE IN YOUR JOURNAL "**

## Writing Assignment 1: Compare and Contrast

Compare and contrast the definitions of narrative writing vs. expository writing. What makes them different? How are they alike? Do not restrict yourself to only the definitions on the sheets given – come up with your own ideas as well.

- Option 1: Create a 2-column chart listing the differences and the similarities.
- Option 2: Create a Venn diagram illustrating the differences and similarities.
- Option 3: Create a paragraph or simile that illustrates the differences – include all important concepts.
- Option 4: Write a song or poem illustrating the differences – include all important concepts.

## Writing Assignment 2: Organizational Patterns

Select two of the following organizational patterns for expository writing:

1. Order of Importance; 2. Order of Location; 3. Chronological Order; 4. Compare and Contrast; 5. Cause and Effect; 6. Point-Counterpoint.

Write 1 paragraph each using the one of the two patterns you picked. Select two of the following topics:

- 1. Explain/Describe a place your family treasure or visits as special.
- 2. Explain an invention or an idea that you think could change the world.
- 3. Explain/Describe a person you know personally who you think makes a difference in this world. What does that person do and why did you select them?
- 4. Explain a personal political or religious belief you have, especially one that may be controversial. Perhaps include why others may disagree with you.
- 5. Explain a process you know like the back of your hand. This could be cooking up a fried squid, capturing a monkey, or even painting an ugly picture. Be creative, but make sure you're an expert.

## Writing Assignment 3: Picking a correct pattern

Categorize the following writing topics into the organizational patterns that best suits it. Use the organizational patterns listed in assignment #2 to guide you.

(Organize this in a best way – a web, a chart, a diagram, a flowchart, an outline – your choice if you neatly and precisely put it together.)

Topics: How to boil eggs, Directions to my home, The mating habits of elephants, Why my dog-cutter is my hero, How lightning strikes the ground, Michael Jordan's greatest accomplishments, My family traditions, How to check a chess, Volunteerism and its importance, The best ones in NYC, How long goes into the hot rock in the dryer (a scientific miracle), Why smiling is overrated, your favorite season (or lack thereof), The difference between 8<sup>th</sup> and 7<sup>th</sup> grade, How religion affects my life, My father – my hero.

Option 3: If you would like, create your own topics and have at least 3 ideas under every category. Be ready to defend why you put each topic under each category.
