## **My Time In Heaven Richard Sigmund:**

**My Time in Heaven** Richard Sigmund,2009-12-14 Is there life after death After a tragic accident doctors pronounced Richard Sigmund legally dead Eight hours later God miraculously brought him back to life on the way to the morgue During those hours God allowed him to experience the glorious beauty heavenly sounds sweet aromas and boundless joys of heaven that await every believer God then returned him back to earth with a mission to tell the world what he saw You will thrill to Sigmund s eyewitness accounts of strolling down heaven s streets of gold seeing angels playing with children talking with Jesus meeting with people from the Bible as well as departed family and friends seeing the mansions and much more Through Sigmund s testimony God restored sight to the blind hearing to the deaf and even raised several people from the dead Also glimpse into the horrifying reality of the other place a place where no one wants to go [Our Last Day and the Return of Christ](#) James Williams,2024-09-03 This book is intended to clear up many of the misconceptions being carried by the organized church for the last two thousand years Many of these misconceptions have been put into place on purpose The early Church Fathers felt the need to distance themselves from the Hebrew Bible and changed dates and church traditions to bring about what people understand today The pages of this book hold the key to understanding the truth about things to come Have you ever asked yourself or someone else why Jesus says he is coming soon but it s been two thousand years You will find the answer to that question in the pages of this book You will discover what the book of Daniel was told to shut up is and why he was told to do this The truth about the last days is simpler than you think and God s glorious mystery is now become clear *The Wow of His Word* Edwina Doyle,2015-05-21 The Wow of His Word answers tough questions about Christianity and the Bible while explaining why the Bible is the handbook for happiness While sharing her own spiritual journey the author shares fascinating stories of martyrs missionaries reformed atheists revivals and miraculous healings that will spark faith in unbelievers and rekindle that of believers **Before Creation, Planet Life, After Life** Donzella Ervin,2022-01-04 The purpose of this book Before Creation Planet Life After Life is to cause readers especially Christians to search for a broader perspective of Scriptures referencing man s existence before and after death I hope this work will initiate more thought as to when where and how we fit into God s mind and final plans for us If we embark upon this search looking at Scripture through traditional lenses we will miss seeing the things of God by the faith of God He is the one who invited us saying If any man lacks wisdom knowledge on any subject let him ask of God who gives to all men liberally holds nothing back from us Yet there are many church leaders who warn their parishioners against asking God questions concerning those things which plague their souls even though the book of Job is a good example that God is not intimidated by our questions Considering Job s experience and reverence for God while searching for answers I believe the result of our seeking and asking will bring us the comfort and steadfastness that we so desperately need in our times of sorrow and disconnectedness It may give us that blessed assurance that we have been are and will be forever with the Lord We re not

strangers to Him because He said that He chose us in Him knew us before the foundation of the world was laid Ephesians 1 4

**Jesus Is the Way, Truth, Life** Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest

*A Call to War* Daniel Boyer, 2023-03-29 A Call to War is more than a battle cry it is a call by God for each one of us to enlist in His Army and surrender to His Lordship It is time to stand strong in the truth of the Word of God and reject Satan's lies and deception that are so prevalent in today's society It is time to relentlessly resist and defeat the kingdom of darkness with the spiritual weapons that God has entrusted unto each one of us We are called to take up the mantle of a soldier of God and walk in the authority and power of the Holy Spirit We are encouraged to preach the gospel message heal the brokenhearted preach deliverance to the captives recover sight to the blind and set at liberty those that are bruised just as Jesus did The challenge has been set before us now is the time to go forth boldly and finish the race that He has set before us written to help all of us better understand the truth of the Word of God and how it can be applied to our lives today and to reveal the inroads that Satan and the kingdom of God have made into society today It is a call to repentance and a turning away from deception and false teaching of doctrines that many have been entangled in It is designed to allow the light of God's truth to permeate our minds and hearts and to eradicate the lies that Satan has woven into our lives and especially into society today It is meant to equip us with the spiritual weaponry that we need to successfully fight the kingdom of darkness with the full authority and power of the Holy Spirit who lives within true believers in Christ Jesus has won the victory on the Cross at Calvary we simply need to apprehend that victory for our

personal lives      **A Spiritual Journey to Unwavering Faith** Dave Scelba, 2023-05-19 Almost everyone at some point in their lives questions their faith and or belief in God Even the most learned religious scholars ordained and lay readers and faith based teachers admit to having doubt at times The author wrestled with faith and a belief in God for many years but feels blessed to have experienced a series of life changing events that opened his eyes heart and mind Today he has absolutely no doubt in the existence of God and that there is an afterlife A Spiritual Journey to Unwavering Faith is a multi denominational and multi dimensional book written for every reader regardless of their religious backgrounds or spiritual beliefs It details the writer s unique experiences and the purpose in sharing his spiritual journey is to give those with doubt a sense of comfort peace and hope It also provides confirmation and inspiration to those who already have faith and to hopefully strengthen their existing belief The author s spiritual journey began about a year before the passing of his father in law and continued to grow and become stronger with the passing of his father and mother Each died in the author s arms and as they took their last breaths he asked them to please give him a sign or do whatever they could to confirm the existence of God and the afterlife Literally moments after they each passed and many times since each communicated with the author and provided profound signs that were personal connections known only between themselves Initially the author viewed these After Death Communication ADC signs as sheer coincidences but after experiencing a series of unique strange unexplainable encounters the writer finally realized he was witnessing events that went beyond the obvious or what could be identified by using his five key senses Once he accepted the possibly a higher power was at work he allowed his eyes heart and mind to be opened to a whole new world or realm He also discovered the incredible power of prayer During his research and the discovery process the author read many books that included historical mythology afterlife experiences spiritual enlightenment faith the Old and New Testaments of several different Bible translations excerpts of the Koran Divine interventions and devotionals written by lay persons from around the world He especially enjoyed reading devotionals from people of all walks of life who told their stories through essays that connected to specific scripture Their personal experiences relating to selected scripture were genuine insightful and deeply moving The author found it interesting how philosophies and life recommendations quoted in so many modern day spiritual and self help books and materials are rooted in scripture As the author connected his own personal events to specific scriptures he realized everything he was searching for was already compiled in one comprehensive best selling book of all time the Bible      **Inventing Afterlives** Regina M. Janes, 2018-07-31 Why is belief in an afterlife so persistent across times and cultures And how can it coexist with disbelief in an afterlife Most modern thinkers hold that afterlife belief serves such important psychological and social purposes as consoling survivors enforcing morality dispensing justice or giving life meaning Yet the earliest and some more recent afterlives strikingly fail to satisfy those needs In Inventing Afterlives Regina M Janes proposes a new theory of the origins of the hereafter rooted in the question that a dead body raises where has the life gone Humans then and now in communities

and as individuals ponder what they would want or experience were they in that body From this endlessly recurring situation afterlife narratives develop in all their complexity variety and ingenuity Exploring afterlives from Egypt to Sumer among Jews Greeks and Romans to Christianity's advent and Islam's rise Janes reveals how little concern ancient afterlives had with morality In south and east Asia karmic rebirth makes morality self enforcing and raises a new problem how to stop re dying The British enlightenment Janes argues invented the now widespread wish fulfilling afterlife and illustrates how afterlives change She also considers the surprising afterlife of afterlives among modern artists and writers who no longer believe in worlds beyond this one Drawing on a variety of religious traditions contemporary literature and film primatology cognitive science and evolutionary psychology Janes shows that in asking what happens after we die we define the worlds we inhabit and the values by which we live

**Mi tiempo en el cielo** Richard Sigmund, 2010-04-26 No lo puedo explicar s lo puedo contarle lo que vi y el lenguaje es insuficiente porque realmente es indescriptible los paisajes los sonidos los tama os los colores los olores C mo se puede describir un lugar llamado cielo Recuerdo saber cosas que ahora no puedo recordar o se supone que no debo recordar Se me permiti ver muchas cosas pero hab a mucho m s que no se me permiti ver Muchos otros han tenido experiencias similares del cielo y algunas de las cosas que vieron eran las mismas que lo que yo vi Otras no y si a usted le ense aran un lugar llamado cielo tambi n ver a cosas diferentes Cada persona que haya tenido una experiencia como esta lo ver de forma distinta Muchas de las cosas que vi y de las que fui testigo probablemente no fueron las cosas que otra persona ver a porque somos personas individuales y Dios trata con nosotros de forma individual Las cosas que vi me ministraron y creo que tambi n ministrar n a los que lean este libro Jes s me dijo Nunca te olvides de lo mucho que te amo y de lo que he hecho por ti Nunca te olvides de cu nto amo a aquellos con los que regresas y del lugar que he preparado para ellos y de cu nto los amo No puedo explicarlo tan s lo puedo contarle lo que vi y s lo puedo contar parte Rev Richard Sigmund I can't explain it I can only tell you what I saw And language fails It really is indescribable the sights the sounds the sizes the colors the smells How can one describe a place called heaven I remember knowing things there that I can't remember now or am not supposed to remember I was allowed to see many things but there was much more that I was not allowed to see Many others have had similar experiences of heaven and some of the things they saw were the same as what I saw Others were not And if you were shown a place called heaven you would see different things too Everybody who has an experience like this is going to see it differently Many of the things that I saw and witnessed would probably not be the things that another person would see because we are each individuals and God deals with us in individual ways The things that I saw related and ministered to me and I believe they will also minister to those who read this book Jesus told me Don't ever forget how much I love you and what I have done for you Never forget how much I love those whom you are going back to and the place I have prepared for them and how much I love them I can't explain it I can only tell you what I saw And I can tell only so much Rev Richard Sigmund A Place Called Heaven Richard Sigmund, 2004-03-01 Healing Evangelist and child minister Little
