people **Emerson's Theories of Literary Expressions** Emerson Grant Sutcliffe,1923 **Spirit Mates, Their Origin and Destiny, Sex-life, Marriage, Divorce** James Martin Peebles,1909 Human-Earth Expressions on Integrative Health and Our Environment Shelley R. Noble-Letort,2021-05-07 A lost art and science of medicine which may have begun evolving out of the cave more than 10 000 years ago is resurfacing and reforming into a new map of medicine that is transforming contemporary patient care This book unearths and transfigures human earth expressions of healing through the exploration of metaphorical and symbolic images of caves revealed as recurrent symbols for mental states and physical environments These caves of healing are introduced as the caves of the human body caverns of heart and brain and the caves of the earth body caverns within below and above the earth which expand across cultures ancient and modern shamanic and alchemical initiatory and technological intuitive and inventive and imaginal and scientific A mythological map is unfolded for navigating the relationship between the mind and the body and healthcare and our environment which invites a deeper more integrative dialogue into much needed philosophical ethical and political discussions The idea that the force of health is a force of Nature that becomes a fulcrum for healing is clarified here as a possibility for a new medicine for the 21st century called Integrative Health which advances not only ancient and modern technologies but also education policy research and clinical care by promoting the empowerment of personal responsibility prevention of disease continuity of care and compassionate engagement between patients and healthcare practitioners This new medicine facilitates a balanced circular ecosystem between illness and wellness patients and healers community and society human and earth that revives and promotes the role of consciousness The Bible Doctrine of the Soul Charles Linnaeus Ives,1873 The Arena ,1896 **Expressions of the Soul** Tanya Kwini Childs-souleimane,2014-07-17 Expression of the Soul is a collections of writing acquired over the years through the experiences of its creator journey of enlightenment through the eyes of the world for which she lives Expressions of these writings reflect many whom seek but had not a voice to speak The book of poems embraces love understanding pain caring and other emotions embedded deep within the soul but has not away to unfold The poems dance the poems cries the poems laugh the poems dies the poems screams seeing visions and not dreams **Catharsis** Dionnia Marie Shaffer,2012-04 Catharsis Expressions of the Soul is a book about just that The poems are the expression of my soul Everyone has a special talent that they use to reach others mine is writing My soul is being shared with the world so people will know that they are not alone in their struggles In many cases we feel that we are the only ones in the world that suffer from heartbreak or headaches of life This book will help you cope with every day issues that you come across Just reading a poem may inspire you to follow a new direction along your journey **Plotinus on Love: An Introduction to His Metaphysics through the Concept of Eros** Alberto Bertozzi,2020-12-29 Winner of the 2021 Outstanding Academic Titles award in Choice a publishing unit of the Association of College Research Libraries ACRL Plotinus metaphysics is often portrayed as comprising two movements the derivation of all reality from a single source the One and the return of the individual soul to it Alberto

Bertozzi argues that love is the origin culmination and regulative force of this double movement The One is both the self loving source of the derivation and articulation of all reality in levels of unity and love and the ultimate goal of the longing of the soul whose return to its source is a gradual transformation of the love it originally received from the One Touching on virtually all major concepts of Plotinus philosophy Plotinus on Love is at once an investigation of a lesser studied Plotinian theme and an introduction to his metaphysics **The Soul of Grammar** Edward Adolf Sonnenschein,1929
