Bloom, 2021-10-05 The never before told true story of Jane Elliott and the Blue Eyes Brown Eyes Experiment she made world famous using eye color to simulate racism The day after Martin Luther King Jr's assassination in 1968 Jane Elliott a schoolteacher in rural Iowa introduced to her all white third grade class a shocking experiment to demonstrate the scorching impact of racism Elliott separated students into two groups She instructed the brown eyed children to heckle and berate the blue eyed students even to start fights with them Without telling the children the experiment's purpose Elliott demonstrated how easy it was to create abhorrent racist behavior based on students eye color not skin color As a result Elliott would go on to appear on Johnny Carson's *Tonight Show* followed by a stormy White House conference The Oprah Winfrey Show and thousands of media events and diversity training sessions worldwide during which she employed the provocative experiment to induce racism Was the experiment benign Or was it a cruel self serving exercise in sadism Did it work *Blue Eyes Brown Eyes* is a meticulously researched book that details for the first time Jane Elliott's jagged rise to

stardom It is an unflinching assessment of the incendiary experiment forever associated with Elliott even though she was not the first to try it out Blue Eyes Brown Eyes offers an intimate portrait of the insular community where Elliott grew up and conducted the experiment on the town s children for more than a decade The searing story is a cautionary tale that examines power and privilege in and out of the classroom It also documents small town White America s reflex reaction to the Civil Rights Movement of the 1970s and 1980s as well as the subsequent meteoric rise of diversity training that flourishes today All the while Blue Eyes Brown Eyes reveals the struggles that tormented a determined and righteous woman today referred to as the Mother of Diversity Training who was driven against all odds to succeed   **Bowker's Complete Video Directory 2001** ,2001   *Film/video Rental Catalog* University of California (System).
