

- (d) A sodium hydroxide solution was made up by dissolving 20.0 g of sodium hydroxide in water and making the volume of the solution up to 1.00 dm<sup>3</sup>. Calculate the concentration of sodium hydroxide, NaOH, in this solution in mol dm<sup>-3</sup>.

(relative atomic masses: H = 1.00, O = 16.0, Na = 23.0)

$$1 + 16 + 23 = 40 \quad \frac{V}{M} = C \quad (2)$$

$$\frac{20}{40} = 0.5$$

concentration = 0.5 mol dm<sup>-3</sup>

- (e) In another experiment, a titration was carried out. 25.0 cm<sup>3</sup> of 1.50 mol dm<sup>-3</sup> sodium hydroxide solution, NaOH, was titrated with hydrochloric acid. The volume of the hydrochloric acid required to neutralise the sodium hydroxide solution was 30.0 cm<sup>3</sup>.

Calculate the concentration of the hydrochloric acid, HCl, in mol dm<sup>-3</sup>.

# June 2014 C3 Paper

**Xavier Cuadras Morató**

### June 2014 C3 Paper:

**Social Urbanism and the Politics of Violence** K. Maclean, 2015-01-23 Medellin Colombia used to be the most violent city on earth but in recent years allegedly thanks to its social urbanism approach to regeneration it has experienced a sharp decline in violence The author explores the politics behind this decline and the complex transformations in terms of urban development policies in Medellin

Smugglers and States Max Gallien, 2024-02-27 Winner 2025 Theodore J Lowi First Book Award International Political Science Association American Political Science Association Smuggling is typically thought of as furtive and hidden taking place under the radar and beyond the reach of the state But in many cases governments tacitly permit illicit cross border commerce or even devise informal arrangements to regulate it Drawing on extensive fieldwork in the borderlands of Tunisia and Morocco Max Gallien explains why states have long tolerated illegal trade across their borders and develops new ways to understand the political economy of smuggling This book examines the rules and agreements that govern smuggling in North Africa tracing the involvement of states in these practices and their consequences for borderland communities Gallien demonstrates that contrary to common assumptions about the effects of informal economies smuggling can promote both state and social stability States not only turn a blind eye to smuggling they rely on it to secure political acquiescence and maintain order because it provides income for otherwise neglected border communities More recently however the securitization of borders wars political change and the pandemic have put these arrangements under pressure Gallien explores the renegotiation of the role of smuggling showing how stability turns into vulnerability and why some groups have been able to thrive while others have been pushed further to the margins With both rich empirical detail and novel theoretical contributions Smugglers and States offers important insights into security and stability in North Africa and the prospects for economic inclusion in a context where many livelihoods exist outside of the law

The Dynamics of Conflict-Related Sexual and Gender-Based Violence Sara E. Davies, Jacqui True, Yolanda Riveros Morales, Rachel Banfield, 2024-08-05 Due to the international importance attached to the reporting of conflict related sexual and gender based violence SGBV over the last two decades scholars have been able to examine the magnitude of the problem across different situations and types of conflict But what changes to intensity and type of violence occur during different phases of conflict intensity Is reporting consistent across different conflicts and different regional experiences of conflict related SGBV This book examines different conflict situations in Africa Latin America the Middle East and Asia over the past decade 2010 2020 The chapters in the book use a mixed method approach to explore the patterns of violence in situations of one sided violence state led violence non state led violence low intensity violence terrorism and fragility They investigate the trajectory of international and prevention efforts and the development of country level responses to reports of sexual and gender based violence in these various conflict situations The book explains how and why these responses were mobilised in response to reports and considers the conditions for effective reporting in real time considering the patterns and the

structural root causes of the violence      *Modes of Politicization in the Irish Civil Service* Aodhán Mac Cormaic, 2016-08-05

This book presents a study of the relationship between Cabinet level Ministers and top civil servants in Ireland. The nature of this relationship can potentially have far reaching effects on people's lives as it can influence the type of public policy agreed at top levels of government. A total of sixteen interviews were carried out for the research: eight with retired Cabinet level Ministers and eight with retired Secretaries General of Irish government departments. Anonymity not just for the participants but also for the government departments in which they had served was vital to the success of the research. Also vital was the fact that only retirees were interviewed as this removed the fear for participants that their careers might suffer if they spoke too frankly. The result is a collection of interviews containing frank and open views on the relationship between Ministers and their officials and on how this relationship influences public policy development.      **Open for Business** Richard

Feinberg, 2016-06-14 An expert guide to Cuba's economic opening to the outside world. Ninety miles across the Straits of Florida, an exciting new revolution is afoot. This time instead of guerillas marching down the streets of Havana, it is a global economy that will upend Cuba. Now opening to the world, what new forms is this nascent economy likely to take? *Open for Business: The New Cuban Economy*. Richard E. Feinberg's new book examines the Cuban economy as it makes its early steps into developing a more dynamic market economy. He examines key issues like the role foreign investors will play, how Cubans will forge a path to entrepreneurship, and the roadmaps suggested by other emerging economies. As Cuba's economy awakens from the post-Castro dream, it will do so with a flavor that is uniquely Cuban. Feinberg's book, enriched by interviews and in-depth field research conducted over the last five years, speaks both to Cuba's legacy and to its new horizons on the world stage.      *National Budget Framework Paper for the Financial Years ...* Uganda, 2015      *Catalonia: A New Independent State*

*in Europe?* Xavier Cuadras Morató, 2016-04-20 *Catalonia: A New Independent State in Europe* examines the main issues of the political process which is taking place in Catalonia today. The political confrontation between the Spanish and Catalan institutions has now reached the international arena, especially the debates concerning international recognition of a new Catalan state and its membership of the European Union (EU) and other international institutions. There are no precedents for the secession of a region from an EU member country that could be applied to the case of Catalonia. Therefore, it is not surprising that the world has many unanswered questions about the process. This volume aims to provide answers to many of these questions in a systematic and rigorous way. Why has the political scenario in Catalonia changed so radically and so rapidly? Is this new situation only temporary and support for independence is likely to vanish very soon? What role has the deep economic crisis in Catalonia and in Spain played in the process? Is a potential new Catalan state economically viable? Which are the main legal controversies about self-determination and independence between the Spanish and Catalan institutions? Would an independent Catalonia be a member of the EU? This book will be of great use to academics and students in the field of politics and international relations, particularly those interested in European economic and political studies. It

will also interest a wide segment of general readers interested in contemporary political issues      **Accounts and Papers of the House of Commons** Great Britain. Parliament. House of Commons,1876      **Moody's Stock Survey** ,1940      Paper - Geological Survey of Canada ,1935      *The Commercial and Financial Chronicle* ,1928      *2015 Situation Report on International Migration* ,2015 The study aims to address a deficit in knowledge about migration issues in the Middle East and North Africa by providing a multidisciplinary and comprehensive overview of migration trends and its economic and social consequences in the Arab region Within the report three key trends are discussed a regular and irregular migration b forced migration and c mixed migration flows publisher s website      **Union List of Serials of the California State University** California State University,1991      Bradstreet's Weekly ,1901      **The Commercial & Financial Chronicle ...** ,1903      **Barron's National Business and Financial Weekly** ,1961      **The Commercial and Financial Chronicle** ,1941      *Hand-book of Securities* ,1910      *OSHA Preamble and Proposed Rule to Revise Air Contaminant Standards for Construction, Maritime, and Agriculture* United States.
