

## JANUARY ... DOES IT BRING YOU JOY?

1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5

2 In order to live their best lives, people are spreading themselves thinner and thinner with ~~multiple~~ streams of income. In the process we earn more but live less, we lose our ~~focus~~ of what is important.

3 With social media, ~~keeping up with other Instagrammers~~ are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10
