9781510421165 Workbook 9781510421882 Complete Ordinary Level Mathematics Passport Nji Ndi, 2015-09-04
Complete Ordinary Level Mathematics Passport as the name suggests is one of the most recent ordinary level Mathematics
books which addresses almost all the requirements of many examination boards at this level across the world. Because the
author is a teacher based in Cameroon and has been teaching in secondary schools in Cameroon for more than two decades
special focus has been given to the Cameroon GCE Ordinary level Mathematics 570 the WAEC and the CGSE syllabuses. This
630 pages book covers elaborately almost all the work from form One to Five and more. It is the wish of the author that
students from poor countries such as his should be able to obtain and use just a single book per discipline throughout the
secondary school. In these way issues of children failing to do assignments because of lack of textbooks will be illuminated.
Concepts skills how and why they work are well explained and illustrated. Many recently introduced topics such as logic
networks and flow diagrams have been well treated. An attempt has been made to use mostly real life examples drawn from
West and Central Africa especially Cameroon for which the book was originally intended to be used. Names of persons are
local names from the English Speaking regions of Cameroon. However these names do not in anyway distort or change the
subject matter. The book contains Many graded examples and exercises. Many structural and essay type questions for revision
and practice. Many multiple choice exercises. A detailed glossary of most of the technical terms used in the book. An index to
facilitated quick references of the sub issues discussed in the book. An appendix on the use of the scientific calculator at the
secondary school level. Comments on the Book. Highly student centered with a wide range of topics elaborately covered. User
friendly with many questions for revision and practice. By Ngwa Kenneth Akobabila MA Mathematics Education Teacher
GBHS Mankon. Has vividly taken into consideration the requirements of the new Cameroon General Certificate of Education
syllabus 570. By Nfor Samuel Ndi DIPCEG Mathematics RPI Mathematics NWR Cameroon **Cambridge International AS**
and a Level Mathematics Probability and Statistics 2 Sophie Goldie, 2018-03-29. Endorsed by Cambridge Assessment
International Education to provide full support for Paper 6 of the syllabus for examination from 2020. Take mathematical
understanding to the next level with this accessible series written by experienced authors, examiners and teachers. Improve
confidence as a mathematician with clear explanations, worked examples, diverse activities and engaging discussion points.
