## **Environmental Entrepreneurship Markets Meet The Environment In Unexpected Places:**

**Environmental Entrepreneurship** Laura E. Huggins,2013-09-30 In this innovative book Laura E Huggins finds path breaking entrepreneurial solutions to difficult environmental challenges in some of the world s poorest areas The approaches entrepreneurs are taking to these challenges involve establishing *Free Market Environmentalism for the Next Generation* T. Anderson,D. Leal,2015-02-04 This book provides a vision for environmentalism s future based on the success of environmental entrepreneurs around the world The work provides the next generation of environmental market ideas and the chapters are co authored with young scholars and policy analysts who represent the next generation of environmental leaders *The History and Evolution of the North American Wildlife Conservation Model* Robert E. Wright,2022-06-14 This book explains how six policies collectively called the North American Wildlife Conservation Model NAWCM put in place around the turn of the twentieth century saved numerous iconic big game species from extinction Rigid adherence to the NAWCM however especially its ban on the commercial sale of wild game meat has allowed deer and some other species to become overabundant pests in areas where hunting pressure recently declined and habitat rebounded Texas and South Africa have proven that scientific insight and market incentives can combine to prevent game overabundance and decrease the fragility and extend the range of iconic mammal game species This book outlines how intermediate steps like proxy hunting and other wildlife regulation reforms could be used to lure more hunters into the field and move other states towards the Texas model incrementally thereby minimizing risks to wildlife or human stakeholders **Liberalism Unveiled:**

**Forging A New Third Way In Singapore** Bryan Yi Da Cheang,Donovan Choy,2021-01-04 Since 1965 Singapore has been propelled to the dizzying heights of first world prosperity Yet the People s Action Party s signature style of technocratic elitism has come under increasing criticism by a new generation of left leaning progressive scholars and activists condemning the excesses of neoliberalism The PAP s mode of governance that prioritizes economic growth is criticised in favour of a vaguely European style welfare state and greater state intervention Bryan Cheang and Donovan Choy break this traditional pro PAP versus anti PAP dichotomy by providing a fresh classical liberal perspective The authors contend that both sides discern only parts of the political puzzle correctly This book envisions a new path forward for Singapore s policy making one characterised by greater competition freedom It critiques the conservative right through a fresh take on the philosophical underpinnings of the Singapore Consensus communitarianism meritocracy and technocracy The authors also engage with the new social democratic orthodoxy demonstrating the dangers of egalitarian interventions state based environmentalism Applying the interdisciplinary insights of political philosophy and political economy this novel account recommends epistemic liberalism a system of governance based on intellectual humility limited government and decentralisation *Industry and Environment* ,2002 **Enabling Agri-entrepreneurship and Innovation** Catherine Chan,Brent S Sipes,Tina Lee,2017-02-14 Agricultural entrepreneurs in conflict and post conflict regions face special

challenges not just everyday personal risks but also the difficulties of building small businesses when real or threatened violence can disrupt business growth cycles and economic security Alongside establishing secure institutions building a secure economy is rightly seen as the best way for conflict torn regions to establish a peaceful future But current agricultural entrepreneurship training and development starts from an assumption of peace meaning that it is not always fit for purpose The result is sub optimal program design and inefficient use of resources A product of a collaboration of experts in the fields of agri business agricultural marketing and international development this book gives officials and agencies developing entrepreneurship programs the practical real life examples they need *COVID-19 and a World in Chaos* Mehmet Nesip Özgün, Serdar Yurtseven, 2022-07-26 A century after the Spanish Flu the world has again witnessed a new pandemic that affected the whole globe and stopped life for a long time This book brings together studies on the impact of the COVID 19 pandemic authored by distinguished examining its effect in various fields including education the economy international capital markets banking marketing tourism aviation work life and international relations Although there are early studies that have addressed these issues this text presents a broader study of the pandemic from an academic viewpoint
