**Things to Do on the Las Vegas Strip for \$25 and Under** Matt Lashley,2019-08-08 The Las Vegas Strip is expensive And since most people visiting the Strip have a limited budget it is important to make your money stretch as far as it can This is the reason for this book to point out all of the things you can do on the Strip that are affordable I have defined affordable as an activity that costs 25 or less Above 25 there seems to be a jump to the low 30 dollar amount and then ramping up to price tags that are outside of an average person s bankroll There are many things you can do on the Strip for free but I have already written extensively on the topic in my book Free Things To Do on the Las Vegas Strip A Self Guided Tour This book serves as a companion guide but it stands alone as a good guide for low cost fun There is also a bonus section Eating for under 10 If you re as old as I ma you likely remember a time when you could eat cheap in Las Vegas All the casinos wanted was your gambling dollars and they would entice you with many attractive discounts All that is gone Today they are trying to make money on everything Most casinos are now charging for parking Las Vegas doesn t want you to eat for under 10 but I have made it my mission to go up and down the Strip looking for the few possibilities that still exist Use this section to plan a

few of your meals in advance to save some of your cash for other things
