Robert Brett, 1862 *Developing Intimacy with God* Alex B. Aronis, 2003-04-30 It is customary for pastors to urge their congregations to spend time with God in prayer They know that this is of paramount importance the one thing needful But instructions given by pastors usually have to do with prayer for others or prayer for oneself Rarely does one hear instruction on how specifically one can nurture and deepen one s relationship with Jesus This is the challenge that Alex Aronis has taken up in his book *Developing Intimacy with God* Anchored on the spiritual classic *The Spiritual Exercises* of St Ignatius Alex has made the necessary adjustments to this sixteenth century text to maximize its contribution for modern readers Thus the book serves as a personal spiritual guide It can be used for individual or group use and coaches the prayer over an eight week period through a series of interactive prayer exercises Aronis writes For disciples of Jesus nothing in this world is of greater importance than experiencing intimate communion with Christ It is our greatest privilege to know Jesus personally and to let God love us as we commune with him on a daily basis *Developing Intimacy with God* will teach you how to do that **The Right Path** Dale Tedder, 2018-09-12 This book offers short devotional chapters covering key principles for men who desire to walk the right path of godly manhood A godly man knows Christ has a Christian worldview lives under the Lordship of Jesus Christ is aware of the temptations in his life and fights hard against them desires to grow in his faith exercises biblical wisdom and discernment and follows his Lord wherever he may lead These are the themes that run throughout these devotions Before making it to this book these chapters were sent out as devotional emails over the course of a year to encourage and equip men to walk the path of godly manhood Each of these 52 chapters contains a devotional based on Scripture questions for reflection and next steps a prayer and prayer prompts to help guide you in your prayer life for that week This devotional can be used for personal time spent with God as well as a resource for discipling other men or to use in your small group *Pray Without Ceasing* Joyce Ann Zimmerman, Delphine Kolker, 1993 Long ago Paul reminded the Thessalonians to rejoice always pray without ceasing give thanks in all circumstances for this is the will of God in Christ

Jesus for you To our modern ear this may sound like an impossible ideal Yet there it is bold unadorned unmitigated Pray without ceasing *Christian Nurture Series ...* ,1917 *The Illustrated Catholic Family Annual for ...* ,1874 *The Sunday-school Director's Guide to Success* Patrick James Sloan,1909 **This Child of Faith** Sophronia Scott,Tain Gregory,2017-12-14 Tain Gregory was present in his third grade classroom on the morning of December 14 2012 the date of the Sandy Hook shootings As part of the healing process for the community after the tragedy Tain was asked What s the most important thing in the world to you His mother expected an answer about a video game or Pokemon trading card Tain thought for a moment then answered with one word God Until that moment Tain s mother had no idea how close to the surface Tain s faith existed for him This is a fascinating look at the journey of two souls both Tain s and his mother s that began with Tain enrolling in Sunday School and led to a strong life of faith for both of them In **This Child of Faith** Sophronia and Tain share stories experience and ideas to help parents get to the heart of a question that becomes more perturbing as our world grows ever more complicated How do you help a child have faith real faith something he or she owns and not a regurgitation of something they ve heard How do you create a life space where they can learn to understand what they believe Tain s stories include early encounters with death and of course the shootings at Sandy Hook where he was present in his third grade classroom on the morning of December 14 2012 Tain is now entering an age where his peers are questioning everything and saying everything just goes black when you die but because of his faith Tain knows differently In this beautiful and timely memoir mother and son share insights from a family s spiritual awakening a journey that led to a deep experience of God and a new way of life in the world Not only do they offer practical advice on faith formation but they tackle a difficult question How does faith prepare us not only life s joys but for its most shocking tragedies The answer is deceptively simple by paying attention to the Spirit and trusting one another Read this one and weep And discover the hope of a child Diana Butler Bass Author *Grounded Finding God in the World A Spiritual Revolution* When children begin to ask the big questions in life many parents feel unprepared What s more their own yearning to find meaning hope and a deeper faith may be ignited In this unblinkingly honest and tender work Sophronia Scott and her son Tain share their journey of faith From her roots growing up in a large Baptist family in Ohio to her spiritual curiosity as a Harvard undergrad to her commitment to honor her young son s request to attend Sunday School Sophronia gently models how to nurture the innate spirituality and faith of a child In doing so her own faith grows and deepens as well And when the trials come such as the deaths of several people close to her and her family she is more prepared to help Tain understand and accept these losses This **Child of Faith** doesn t claim to know all the answers but it serves as a moving testimony to the power of faith when a family embarks upon the journey together Rev Andrea Raynor author of *Incognito Lost and Found at Harvard Divinity School*
