**Margo Gottlieb, Gisela Ernst-Slavit**

### **Home School Connection Grade 3:**

*Academic Language in Diverse Classrooms: Mathematics, Grades 3-5* Margo Gottlieb, Gisela Ernst-Slavit, 2013-03-12

Make every student fluent in the language of learning The Common Core and ELD standards provide pathways to academic success through academic language Using an integrated Curricular Framework districts schools and professional learning communities can Design and implement thematic units for learning Draw from content and language standards to set targets for all students Examine standards centered materials for academic language Collaborate in planning instruction and assessment within and across lessons Consider linguistic and cultural resources of the students Create differentiated content and language objectives Delve deeply into instructional strategies involving academic language Reflect on teaching and learning

**Rigby on Our Way to English** Varios Artistas, Various, RIGBY, 2003-05-01

**Handbook of Research on Family Literacy Practices and Home-School Connections**

Fox, Kathy R., Szech, Laura E., 2022-06-24 Research has shown that families and schools that partner together improve literacy outcomes for their students Family literacy includes homework and shared book reading but goes beyond these school to home activities to encompass family generated practices These literacies include family connections around activities such as cooking play religion social and community groups Further study on the importance of the partnership between the home and school is required to implement best practices and provide students with the best possible education The Handbook of Research on Family Literacy Practices and Home School Connections seeks to understand the connections made and new information learned during the COVID 19 pandemic surrounding family literacy and shares updated practices and new perspectives on what it means to partner with families and embrace diverse family literacies in this new world The book also provides teachers perspectives on how future relationships between the school and home can be shaped through both narrative and research based chapters Covering key topics such as parenting homework and social distancing this major reference work is ideal for administrators school faculty
