## Topic 101 – Limits

Maximum Time: 5.75 Minutes

Directions: To start, you need to download the Math Wars application on your cell phone: Use the QR code or the url:

<https://mastermathmentor.com/mmm/mathwars.ashx?key=101>

When ready, start the timer and then solve the problems below, entering your choice, A, B, C, D and pressing **Submit** for each problem when you are sure of your answer. When complete, stop the timer. You will see problems you got correct in green and incorrect in red. You will receive a score based on how many problems you got right and your time. A perfect score is all problems correct using half the maximum time or less. You can text or email your friends with your results.

 High School Students** 70 Times 7 Math, Habakkuk Educational Materials, 2022-02-03 This resource provides the answers to  
 assignments students complete in 70 Times 7 Math Geometry Classwork Homework for Middle and High School Students  
 which is sold separately and supplements the textbook Geometry Textbook for Middle and High School Students by 70 Times  
 7 Math The assignments are meant to provide students individual practice solving problems taught in their textbooks and to  
 equip them to do well on the corresponding tests There are four classwork assignments to help prepare students for each  
 exam Computer based tests and practice tests are available through the Habakkuk Educational Materials website See pages  
 5 6 for details The classwork homework assignments that this book provides the answers to can also be purchased from the  
 website Students should complete one of the assignments weekly and then take the test at the end of the fifth week For  
 homework the 5th week they can correct any errors from previous assignments It is recommended that students be allowed  
 to correct any errors from a homework assignment before the final grade is calculated as this tends to help them to do better  
 on the tests When using the computer based tests and practice tests the grades are calculated automatically Each week s  
 classwork will be in the same format as the test If there are let s say 100 problems on an upcoming test students would  
 complete all 100 of those types of problems each week for four weeks although the answers to corresponding problems will  
 differ from one week to the next Questions included on the classwork and tests are not randomly selected from the chapters  
 in focus Instead they are very comprehensive in that every type of problem students learn about in their textbook or complete  
 as a class on the interactive whiteboard will also be solved individually by students on the classwork assignments and  
 corresponding tests Moreover page numbers where students can turn to for help in their textbooks are specified on the  
 footnotes of each page and tutorial videos are available in the electronic textbooks To contact Habakkuk Educational
