Lifespan Development in Context David N. Sattler, 2000. Lifespan Development in Context corresponds to the organization of most lifespan development and developmental psychology textbooks beginning with issues involving birth and infancy continuing with childhood adolescence and adulthood and concluding with issues concerning dying and death. Each chapter contains 4-6 personal narratives and each narrative covers a different concept issue or topic within a given age period. **Discovering Psychology** Don Hockenbury, Sandra E. Hockenbury, 2016-03-02. Sandra Hockenbury and new coauthor Susan Nolan's remarkable textbook is grounded in the belief that all kinds of students can develop a real understanding of psychology and lasting scientific literacy. The authors act on that belief by using relatable personal stories to communicate the concepts of psychological science and the process of science itself and by presenting important research in a clear not oversimplified way. Hockenbury and Nolan also take full advantage of online learning creating activities in LaunchPad that have students thinking about psychology as scientists do. New co author Susan Nolan of Seton Hall University was recently designated a Master Teacher by the Society for Teaching Psychology. She regularly gives talks about incorporating scientific literacy into the introductory course and across the psychology curriculum. Career Counseling Vernon G. Zunker, 2002. This highly successful book has been called the most comprehensive book on the market providing readers with needed career theory as well as practical techniques and examples. Through the author's clear writing style case examples tables and exercises readers develop a solid understanding of the theoretical models of career counseling and are thoroughly exposed to the practical information on how to effectively counsel clients about career issues. Resources in Education, 1997. Discovering Psychology: The Human Experience Telecourse Study Guide Don H. Hockenbury, Sandra E. Hockenbury, 2006-07-21. This briefer streamlined version of Don and Sandra Hockenbury's acclaimed text *Psychology* Second Edition warmly invites students to explore the science that speaks most directly to their everyday lives. Using a narrative rich with engaging anecdotes and real life stories often drawn from the
