Misfortune and Fame Paul Berton,2023-10-07 Paul Berton Canada s antidote to the waste and excess of consumer culture is back with another dose of satire at the expense of the rich famous and totally miserable There is little argument that having enough money to meet needs is important But beyond that what makes us happy Is a lot of money the answer Is a glamorous life actually glamorous Must we have thousands of followers on social media only to have the internet rabble criticize us at every turn Amid all the fun and frivolity there is inevitable misery and madness A double edged sword A poisoned chalice That s what this book is about In ten punchy chapters full of anecdotes about the miseries and misfortunes of the affluent Berton offers readers ten reasons NOT to wish for fame or fortune Paul Berton s previous book about consumerism Shopomania was described as a must read primer for understanding how our thirst for acquiring and showcasing things has exacted heavy tolls on our psychology on our society and on the environment Cataloguing the symptoms of our shopaholic culture Berton shares wisdom about breaking the shackles imposed by our possessions Mark Cleveland PhD professor and Dancap Chair in Consumer Behavior University of Western Ontario
